

## FOUR TO FACE CODE CHARGES; FIFTH IS FINED

Edmund Szymanski, Buffalo, N. Y., arrested by state police of the Gettysburg substation Tuesday on a charge of making an improper pass at the crest of a grade, was fined \$10 and costs by Justice of the Peace Robert P. Snyder.

Clyde W. Baumgardner, Jr., Biglerville R. 1, has been sent a 10-day notice by Squire Snyder on a reckless driving charge, also filed by state police. Baumgardner is alleged to have driven his automobile in reverse around Center square.

A 10-day notice will be sent by Justice of the Peace John H. Basehore to Simon F. Kuhn, Gettysburg R. 5, charging him with unnecessary use of his horn. Borough police, who filed the charge, allege that Kuhn was blowing his horn while driving on Baltimore street at 2:30 o'clock this morning while there were no other cars on the street.

Charles Gillmore Douglass, Gettysburg R. 3, Md., was fined \$10 and costs by Squire Basehore for driving without lights on his car on Carlisle street at 12:15 a. m. today.

A 10-day notice has been sent by Squire Basehore to Arthur R. Patak, Blue Ridge Summit, on a charge of passing another car at the intersection of York and Fourth streets at 12:30 a. m.

## POSTPONE CLUB EVENTS DUE TO COOL WEATHER

Because of the cool weather which prevailed last Saturday for the second annual opening of the Gettysburg Country Club the program of games and entertainment for the children of club members and their guests and the swimming events have been postponed until next Saturday afternoon.

It was announced today that the entertainment will begin at 1 o'clock. It is open to all club members and as many guests as they wish to invite. Mrs. Elizabeth Pennington will be in charge of the games and entertainment for the children.

Dave Porney will be in charge of the entertainment at the swimming pool. He has announced that he will have expert swimmers here to entertain the large crowd expected. There will be high and fancy diving, swimming races, clown diving and other features to entertain the children and adults.

At the opening last week-end a large number of golfers participated in the handicappers' tournament. More than 150 were served a buffet dinner on the terrace and approximately 50 couples attended the dance Memorial Day evening.

The first of a series of stag breakfasts for members and their guests will be served at the club Sunday morning at 9:30 o'clock.

If weather next Saturday is inclement the children's program and swimming events will be postponed until the following Saturday.

Three golfers tied for first place in a blind bogie tournament Saturday at the club, Phil Jones, Bart Foth and Jim Proust. The number drawn was 79. Eight tied for second place, for which the number was 76. Mrs. George Bender, George Bender, Jr., Floyd Brown, Robert Derck, Kermit Herter, Sam Miller, Lloyd Kuhn and William Messer. There were three ties for third place, Ed Elder, Glenn L. Bream and Kermit Deardorff. The number was 71.

## Mrs. Swope Winner In Golf Tournament

Mrs. J. Donald Swope won top honors in the weekly blind bogie golf tournament held by the women on the Gettysburg Country club course Tuesday morning.

Second place went to Mrs. Kermit Deardorff and third place to Mrs. Charles H. Smith. The putting contest was won by Mrs. Smith with Mrs. George Bender and Mrs. Samuel Reed tied for second.

Mrs. Glenn L. Bream carded a 44 for nine holes Tuesday.

Thirty-five ladies attended the first of the luncheon-meetings. Bridge was played in the afternoon. Mrs. Thomas Winter won first prize and Mrs. Joseph E. Codori second prize.

Paris, June 1 (AP)—The three western foreign ministers met again today to discuss their diplomatic campaign against Russia in the foreign ministers council. Advisers were said to be anxious for the ministers to pass on to the second subject on the agenda today—the question of Berlin, its currency and its future.

Local Weather  
Yesterday's high 77  
Last night's low 48  
Today at 1:30 p. m. 78

## Will Be Tried For Surety Of Peace

Howard Johns, Steinwehr avenue extended, arrested Tuesday afternoon by Constable Charles Smith on charges of surety of the peace and non-support, will have a hearing this afternoon before Justice of the Peace John H. Basehore on the surety of the peace charge.

Johns was held for court Tuesday afternoon on the non-support charge. He furnished bail of \$1,000 each on both charges. His wife, Mrs. Ruth Johns, is the complainant.

## COLLEGE CHOIR WILL GIVE LAST CONCERT SUNDAY

The Gettysburg College Choir will make its final appearance of the season Sunday evening at 8:15 o'clock in the Eddie Plank Memorial gymnasium.

The concert will be presented for the alumni and friends of the college. It has been arranged by Parker B. Wagnild, director, as a concert of sacred music.

The Public Is Invited  
There will be no admission and all seats will be occupied on a "first come, first served" basis. At the intermission, there will be an opportunity to contribute to a free will offering of appreciation.

Announces Program  
The program includes: "King of Heaven," Bach; two sacred songs, "To Thee O Lord," Kapinikoff, and "Cherubim Song," Glinka; "So Soberly," Norwegian folk melody; and "God's Son Has Made Me Free," Greig. The second part of the concert will include "Built On The Rock," Lindeman; "Song Afar," Ole Bull; "When Curtained Darkness Falls," Christiansen; and "Ride On In Majesty," Thompson.

Making up the final section of the concert will be "Angelic Choir," Goldbeck; "Exaltation," Christiansen; "Lullaby," Mozart; and "Wake, Awake," Nicola.

## SWIM PROGRAM OF RED CROSS IS ANNOUNCED

The Red Cross swimming program for this summer was announced today by Mrs. Elizabeth Pennington, executive secretary of the county chapter.

Junior and senior life saving classes will be held at the Battlefield pool from June 20 to July 15. Twenty lessons will be offered during the four weeks with classes held from 9 to 10 o'clock each morning Monday through Friday. The junior life saving will be for youngsters 12 to 15 years of age and senior life saving instruction will be given to those 16 or over.

Boy Scouts and Cub scouts will receive instruction during the two week period starting June 20. The Boy Scouts will receive instruction from 10 to 11 o'clock each morning Monday through Friday and the Cub Scouts will receive their training from 11 to 12 o'clock on the same days.

Instruction for Girl Scouts and Brownies will be held during the two week period starting July 5 with the counts getting their training from 10 to 11 and the Brownies from 11 to 12 each morning Monday through Friday.

An afternoon swimming program for Girl Scouts and Brownies will be held during the week of June 27 at Crouse's pool, Littlestown and a Red Cross-Recreation association cooperative program of swimming instruction will be held at Marsh Creek during two weeks in July.

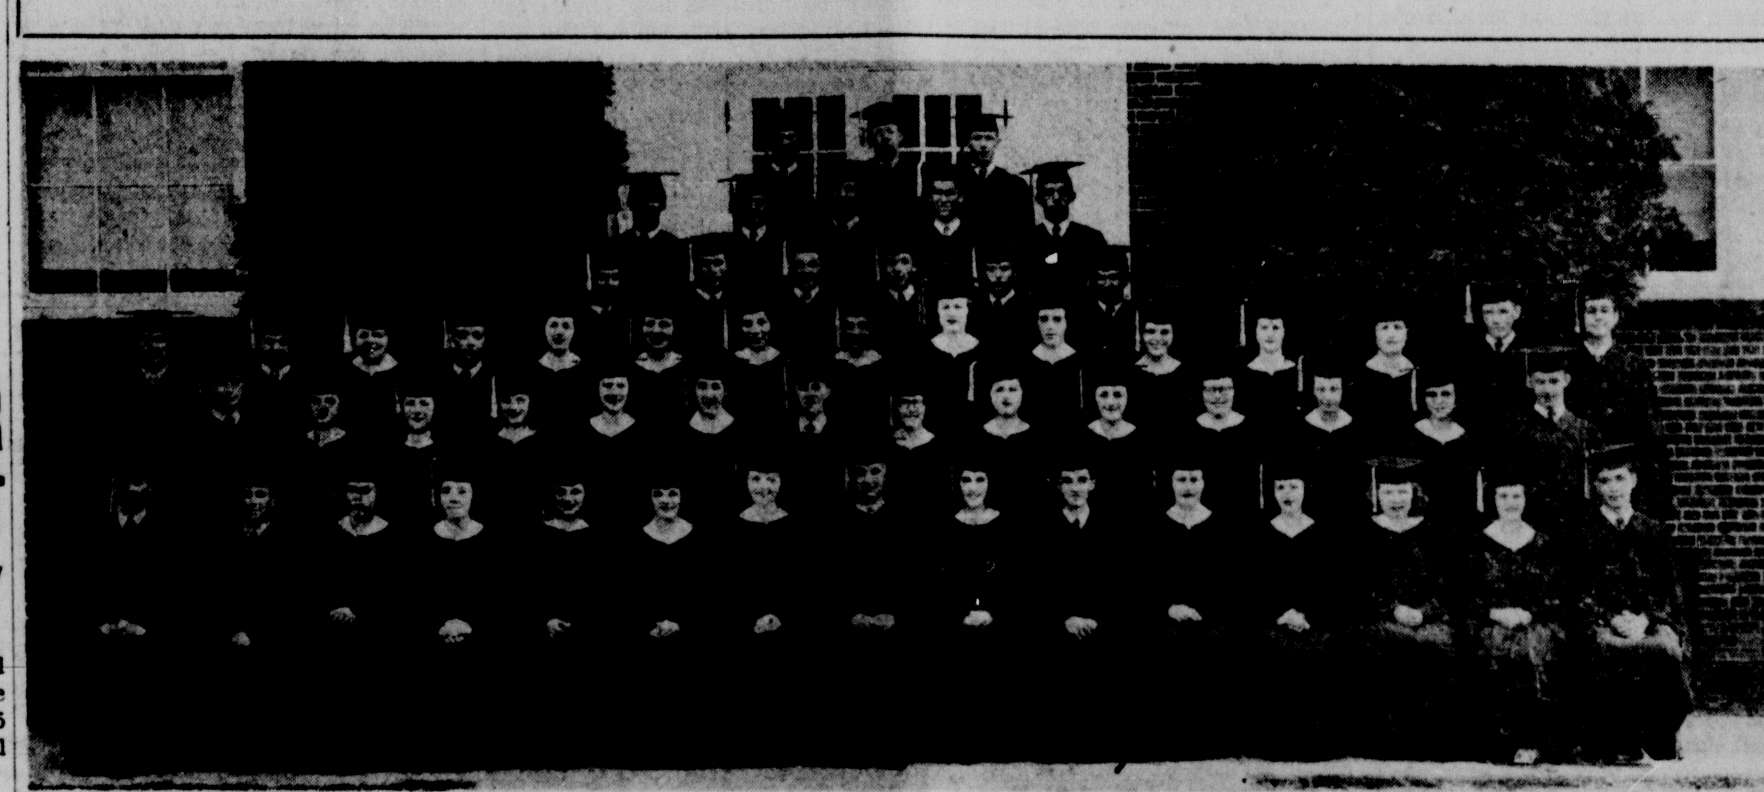

Individual enrollment lessons at the Battlefield swimming pool, will be conducted during the period July 18 to July 29. Adults will receive instruction from 9 to 10 a. m.; youngsters 9 to 15 from 10 to 11 o'clock and children 6 to 8 years from 11 to 12 o'clock each morning. (Please Turn to Page 2)

## Col. McKenney To Instruct Reserves

Col. A. E. McKenney, professor of military science and tactics at Gettysburg college, will give instruction on map reading at the meeting of Headquarters and Headquarters company, 2108th Replacement Training Depot, a local Army Reserve outfit. The session will be held Wednesday evening at 7:30 o'clock at the Glatfelter hall annex, room three, college campus.

All unit members were asked by Col. E. J. Nowicki, Jr., commanding officer, to bring with them dates of active and inactive service for use in determining retirement credits. Those who have not as yet received forms for the purpose will be given them at the meeting. Colonel Nowicki said.

## East Berlin High School Graduation Class

## YORK SPRINGS GRADUATES 16 TUESDAY NIGHT

Barbara Ann Chronister was presented with the alumni award Tuesday evening at the annual graduation exercises held by York Springs high school at the York Springs community hall. The award was presented by Dale Reinecker, president of the alumni association.

Joan Harbold, who was announced as the Senior honor student, was presented with the Reader's Digest award. Curvin Smith was second highest in his class. He was president of the student council this year.

Reports presented at the commencement showed that the campaign to raise funds for a home economics department at the high school is far ahead of expectations. The drive, for \$1,200, to purchase equipment for the department, has been under way for one week. Up to Tuesday night \$506 had been collected.

Presents Diplomas  
William M. Lott, president of the North Adams joint school system, presented the 16 seniors with diplomas and praised them for their conduct and scholarship during the past four years. He also expressed the "hope that before too long we may hold our commencements in a school auditorium of our own."

The Rev. Wallace E. Fisher, pastor of Christ Lutheran church here, gave the address of the evening. He listed as qualities all persons should make part of their being, a sense of humor, ideals and recognition of the importance of an individual as an individual.

Miss Joyce Weiser, a member of the graduating class, presented a soprano solo and Robert Wolf, president of the graduating class, spoke on "Before Criticizing Others, Know One's Self."

Members of the class include: Janice Brough, Barbara Ann Chronister, Jean and Joan Harbold, Joyce Weiser, Ellen Williams, Charles Conington, Dale E. Guise, Malcolm Hess, Harold King, David Lerew, Richard Miller, Curvin Smith, Clair Trostle, Lloyd Williams and Robert Wolf.

## CATHOLIC UNIT HOLDS MEETING

The final meeting of the year of the Catholic Students Mission Crusade was held Sunday at Mt. St. Mary's seminary, Emmitsburg. Miss Regina Beinlein presided, and Father Dausch, of Hagerstown, said the opening prayer. The seminary choir sang "Regina Coeli" and "Hail, Holy Queen."

The topics discussed were concerned with the "Boston College Incident." The following were the speakers: Patricia Fitzgerald, St. Joseph's high school; Ann Grove, St. John's; Frederick; Phil Reardon, St. Mary's high school, Hagerstown; and Joseph Young, St. John's, Westminster.

At the close of the discussion, Father Dausch complimented the members of the conference on their "good work through the year." He expressed his thanks to all for their assistance and co-operation. Refreshments were served and Solemn Benediction was held with Rev. Michael O'Brien, C. M., as celebrant.

WOMAN IS JAILED  
Ethel Tedesco, 43, alias Ethel Flynn, Gettysburg R. 5, is in the Adams county jail awaiting a hearing on a disorderly conduct charge. She was arrested at 11:45 p. m. Tuesday night by borough police on South Washington street, according to the police report.

Above is a photograph of the East Berlin high school seniors who were graduated at commencement exercises last Friday evening. Included in the class are (left to right):

Front row: Victor Enoch, George Robinson, Evelyn Klinedinst, Mae Deardorff, Mildred Haar, Margaret Leese, Sylvia Barton, Glen Miller, Marian Fissel, Charles Sanders, Jennie Stanton, Miriam Klinedinst, Joan Sheffer, Virginia Thomas, William Bollinger.

Second row: Wayne Livingston, Helen Bassett, Helen Burgard, Gloria Albright, Nadine Sunday, Ruth Staub, Marley Gross, Mary Jacobs, Joanne Anderson, Virginia Hoak, Phyllis Hoffheins, Lorene Wolfe, Geraldine Lemon, Ralph Lingg.

Third row: Earl Mummert, Carl Perry, Ruthetta Bievenour, Archie Bushey, Ethel Gruver, Sylvia Billeit, Miriam Rodgers, Betty Winand, Mary Dolheimer, Anna Myers, Joanne Biesecker, Mary Myers, Elizabeth McCoury, Richard Myers, Robert Leib.

Fourth row: George Rabenstine, Richard Lingg, Ned Detter, Paul Ritzel, Harold Fidler, Kenneth Myers.

Fifth row: Harry Moul, Earl Orner, Glenn Reynolds, Grover McCoury, John Myers.

Back row: Dale Reichert, Edwin Klinedinst, William Moul.

## County Real Estate Is Assessed Below State Average, Board Reveals

Adams county real estate, found by the State Tax Equalization Board to be assessed for tax purposes at only 21.94 percent of its market value, has the fifth lowest percentage figure of all counties in the state, it was disclosed today with the publication of a table of county figures for Pennsylvania. The state average is about 30 percent.

In only Cameron, Clearfield, McKean and York counties are the assessed valuations lower in proportion to market values than in this county. McKean county had the lowest figure in the state at 20.16 percent. Philadelphia was highest with 54.94 percent.

Adams county's assessed valuations by districts ranged from a high of 36.58 of market value in Liberty township to a low of 15.53 percent in Bendersville borough. Gettysburg's percentage is given at 18.54.

Face \$40,000 Loss  
While the tax equalization board's work promised "more equitable" distribution of Commonwealth education subsidies in the next two years, Adams county school officials estimated that it may mean the county will lose about \$40,000 in state aid for its schools.

The promise was made by the State Equalization Board in completing a shift from assessed to market values as a basis in determining school grants.

The board reported after a two-year study that real estate in Penn-

## LITTLESTOWN SAYS WORLD IN NEED OF BETTER MEN AND WOMEN

"Facing the Future" was the subject of the commencement address delivered by William S. Livengood, Jr., secretary of Internal Affairs, to the graduating class of Littlestown high school on Tuesday evening in the high school auditorium.

"We are living in a changing world in the atomic age, but in the final analysis it doesn't make any difference how much the sociological, the economic and the technological world changes," he said. "The world itself can change only as people change. We'll not have a better world until we have better men and women in the world."

"The goal for which you as graduates should strive, as you face your future, is the happy, useful Christian life. In order to achieve your goal, you will need five high ideals as your guide posts. They are beauty, duty, service, courage and religion."

The auditorium was filled to capacity for the occasion. The stage was decorated with cut flowers. In the center of which was a basket of red rosebuds which was the gift of the juniors to the seniors. At the close of the program, each senior was presented with one of the rosebuds. The senior class occupied the stage with Supervising Principal Paul E. King, the Rev. Frank E. Reynolds, the speaker, J. Floyd Slaybaugh, county superintendent of schools, and H. Allen Walker, president of the board.

It added that "Pennsylvania's constitution requires that all taxes be uniform upon the same class of subjects within the territorial limits of the authority levying the tax."

The market values found for each of the state's school districts will be used for the first time by the state Department of Public Instruction in calculating state grants for the 1949-50 term. These grants are payable in 1950.

Last month there were 17 arrests for motor code violations and 11 on disorderly conduct charges. There were 20 code violations in April, and four disorderly conduct charges, and in May, 1948, there were 11 arrests for code violations and four for disorderly conduct.

The report shows 11 automobile accidents, involving 17 automobiles and three trucks, investigated by borough police last month. Five persons were injured, and property damage was estimated at \$1,090.

Property damage in April was \$145, and in May, 1948, it was \$1,806. There were only four accidents in April, and 14 in May a year ago.

Three bicycles reported stolen last month were recovered, and 201 minor complaints were investigated.

The Rohrbach family of New Oxford will present a musical program at the Salem Evangelical United Brethren church, Guilford, Sunday evening at 7:30 o'clock.

Mr. Rohrbach plays the violin, his two daughters play marimbas, a son plays the saxophone and Mrs. Rohrbach plays the piano accompaniments.

The program is being sponsored by the Helping Hand Bible class of the Sunday school.

## Rohrbach Family Will Give Program

The Rohrbach family of New Oxford will present a musical program at the Salem Evangelical United Brethren church, Guilford, Sunday evening at 7:30 o'clock.

Mr. Rohrbach plays the violin, his two daughters play marimbas, a son plays the saxophone and Mrs. Rohrbach plays the piano accompaniments.

The program is being sponsored by the Helping Hand Bible class of the Sunday school.

## Two Report Thefts To Local Police

James Woods, Newton, N. J., a college student who lives at the SAE fraternity house, reported to borough police at 1 p. m. Tuesday that a camera had been stolen from his automobile parked on Baltimore street near the court house.

William Price, Troxell apartments, Baltimore street, reported the loss of a traveling bag, containing his army discharge and GI insurance papers, birth certificates, a \$35 pearl necklace, two jade pins valued at \$80 and a quantity of clothing, Tuesday.

Price said he had put the bag down on the curb on Buford avenue, at the Larson cabins, and walked away for a few minutes. When he returned the bag was gone, he said.

## LEGISLATOR TO TALK TO SENIORS AT N.O. TONIGHT

D. Raymond Sollenberger, a member of the Pennsylvania House of Representatives, is coming to New Oxford this evening to deliver the commencement address to a group of 30 seniors who will receive their high school diplomas at the New Oxford high school auditorium at exercises to begin at 8 p. m.

In addition to Representative Sollenberger's address, there will be several student orations by members of the class who will explain various phases of their high school's purpose, methods and activities. Gloria Horn will review "The First Year of Joireure." Gloria A. Krug will explain "The Academic Curriculum," while "The Vocational Departments" will be discussed by Juene Marie Wolf. Laurel E. Taylor will tell something of her school's "Extra-Curricular Activities."

Others of the graduating class will participate in the commencement's musical program, with all instrumental music by the high school's several-times-honored band. There will be a vocal duet by Regina E. Mummert and G. Fred Howe; the class song will be sung by the Senior class chorus, and the entire assemblage will sing the "Alma Mater." The processional and recessional band numbers are to be (Please Turn to Page 5)

## Suggests Checking Of Cooker Gauges

Women who may wish to check the gauges of their pressure cooker: prior to the summer and fall cooking season can have the gauge checked by visiting the Adams County Agricultural Extension Association office at the court house any day between June 6 and 11. Miss Mary Jane Mickey, county home economics extension representative, said today.

Miss Mickey pointed out that a pressure gauge tester will be at the office during the week, and added that gauges should be checked yearly to prevent the possibility of their failing to show the correct pressure which can result in failure of the canning process and spoiling of the foods being preserved.

Records Set Here  
The 31-day period was marked by greatly varied weather with frost, thunderstorms, above 90-degree heat and near-freezing cold. Hail fell in nearby sections several times last month.

May 5 and 6 saw the highest temperatures with readings of 92 and 93 degrees but a week later the mercury dropped to within five degrees of freezing. The lowest reading last month was 37 degrees on May 12 but on 11 other days low readings in the 40's were taken. Minimum readings for the last six days of the month ranged from 40 to 48 degrees. The 40 degrees on May 30 set a local record.

The average daily maximum temperature was 74.2 degrees and the average daily minimum was 51.1 degrees.

## Texas Students Are Quartered In Gym

Fifteen students from a Texas high school Tuesday night found the Gettysburg school board a gracious host permitting them to save time and gasoline.

The students, all girls, their supervising principal, and three teachers and their wives arrived in Gettysburg en route to Winchester, Va. They wanted to see the Battlefield here; it was getting dark, and they were worried about the time that would be lost if they went to Winchester as scheduled and then returned to Gettysburg today to visit the battlefield.

They put their problem up to members of the local school board and asked if they might be permitted to sleep in the gymnasium at the high school overnight in order to be here for a morning trip over the field. They had blankets and other equipment with them, the board gave permission, and the youngsters saw the battlefield today.

## BIRTH ANNOUNCEMENTS

Mr. and Mrs. Robert Eckenrode, Littlestown, announce the birth of a daughter at the Warner hospital this morning.

Sons were born Tuesday at the hospital to Mr. and Mrs. Earl Kuykendall, Iron Springs, and Mr. and Mrs. Guy Conover, Littlestown.

Mr. and Mrs. William Knipple, Gettysburg R. 3, announce the birth of a daughter at the hospital Tuesday.

Mr. and Mrs. Wayne Sowers, Gettysburg, announce the birth of a daughter Monday at the Carlisle hospital.

A son was born Sunday at the Carlisle hospital to Mr. and Mrs. James Baird, Gettysburg R. 2.

## PLAN TO PLACE LIGHTS AT NEW PLAYING AREA

The Gettysburg Recreation board, meeting Tuesday night, "accepted with great pleasure" an offer by the community softball league to place lights on the diamond at the local recreation area and set up a committee to plan for full development of the area.

Members of the board said that the development of the recreation board's field south of West Breckenridge street is "progressing much more rapidly than we had previously hoped."

Named to the planning committee are: Mahlon P. Hartzell, Glenn L. Bream, John D. Teeter, William E. "Johnny" Knox and Richard Codori.

Knox announced the proposal of the community softball league to put up lights at the field and said that plans as to what type of lights and means of financing will be outlined at a meeting to be held June 6 at the Moose house.

The board voted to set aside a portion of the play area for the "tiny tots," the youngsters of preschool age. Equipment for the small youngsters' playground is being placed now and the board decreed that no one of school age will be permitted to play in the area allocated to the smaller children.

Equipment such as swings and slides formerly located at the high school, is being moved to the new play area, it was reported. The recreation board plans to concentrate its efforts this year on developing the main recreational area, it was announced, rather than spread its efforts over various sections of the town.

Named to a committee to prepare a budget for submission to the community chest are: George March, Mr. Codori and Paul Whitmoyer.

All members of the board were present at the session including the two new members, Codori and Teeter.

## MAY SHORT ON RAIN; EXTREME HEAT AND COLD

In spite of the cold snap at the end of May, the month closed its weather records Tuesday with an average temperature slightly above normal for May. Record-setting heat in the first week of the month accounted for the above-normal average of 62.6 degrees. Average May temperature here is about 61.9 degrees.

Bearing out farmers' reports that "we need rain," local records show May was nearly two inches short on rainfall.

Measurable amounts of rain fell on 10 of the 31 days but totaled only 2.11 inches. Normal May rainfall here is 3.92 inches, leaving last month 1.81 inches short. All of the rains were light with no day receiving as much as a half inch of water in the entire month.

Records Set Here  
The 31-day period was marked by greatly varied weather with frost, thunderstorms, above 90-degree heat and near-freezing cold. Hail fell in nearby sections several times last month.

May 5 and 6 saw the highest temperatures with readings of 92 and 93 degrees but a week later the mercury dropped to within five degrees of freezing. The lowest reading last month was 37 degrees on May 12 but on 11 other days low readings in the 40's were taken. Minimum readings for the last six days of the month ranged from 40 to 48 degrees. The 40 degrees on May 30 set a local record.

The average daily maximum temperature was 74.2 degrees and the average daily minimum was 51.1 degrees.

## HOSPITAL REPORT

Admissions: Mrs. Mervin Tipton, 241 York street; Mary Woods, Emmitsburg R. 2; Mrs. James Pittenturf, 39 Baltimore street; Mrs. Robert Eckenrode, Littlestown; Jeffery R. Doud, 108 Springs avenue; Mrs. Earl Kuykendall, Iron Springs; Mrs. William Knipple, Gettysburg R. 3; Mrs. Guy Conover, Littlestown, and Mary Wilson Miller, East Orange, N. J. Discharges: Mrs. Ralph E. Dutterer and infant daughter, Phyllis Diane, Taneytown; Howard Diehl, 24 Carlisle street; Harry Snyder, Gettysburg; Charles Knox, 38 East Middle street, and John Bittinger, 46 West Middle street.

## TRANSFERRED TO TEXAS

Pvt. Chester S. Shriver, Jr., Gettysburg R. 1, has been transferred from Ft. Dix, N. J., to Ft. Bliss, Texas. Pvt. Sh

# ACE SABOTEUR OF KAISER DIES A DOCILE MAN

London, June 1 (AP)—Captain Franz Von Rintelen, 72, erstwhile top cloak and dagger man for Kaiser Wilhelm, died a docile London suburbanite on Monday.

Operating in the United States during the first world war, he was credited with the destruction of 32 munition ships. He blamed his capture by allied intelligence on the bungling of Franz Von Papen, German military attache in the United States and later Hitler's ace diplomat.

The spy and saboteur went to Washington in 1915, ostensibly as a diplomat. Actually he spent his time placing pencil-shaped time bombs in the holds of European-bound munition ships.

British intelligence caught up with him after a series of fires and explosions along the New York waterfront, after a young girl in the British service in Washington broke the code by which he communicated with Berlin.

**Trapped By British**  
The British sent a fake message to Von Rintelen, lured him onto a Dutch ship bound for Germany, intercepted the vessel and took him before the man who had outwitted him, Sir Reginald Hall, British Naval Intelligence chief.

In 1917, he was returned to the United States and tried for his acts of sabotage. He received a four-year prison sentence but was given a presidential pardon in 1920 on condition he leave the country.

He didn't get along with the Nazis on his return to Germany, and settled in Britain in 1933, when Hitler came to power. He became a close friend of Sir Reginald, his captor. His daughter was a bridesmaid at the wedding of Sir Reginald's daughter.

## Will Install New Society At College

A chapter of Psi Chi, national honorary psychological society, will be installed at Gettysburg college Sunday afternoon at 2:30 o'clock in the SCA building.

Eighteen members will be installed. Dr. Kenneth L. Smoke, head of the psychology department at the college, is advisor for the local group.

Dr. B. V. Moore, head of the psychology department at Penn State college, will speak on "Psychology, Profession or Science," following the installation service. The public is invited to the lecture.

Charter members of the new chapter of Psi Chi are Dr. Smoke, Prof. John C. Hayward, Lucille Erdley, Jeanne Paris, Charles Fegely, Peggy Gettys, Dorothy Hamm, Jane Harris, Jane Heilman, James Long, Marjorie MacRitchie, Edith Matlack, Betty Minnich, Harold Morgenfruh, Stephen Niemay, Kathryn Padgett, Donald Pentz, Gerald Riedel, Thomas Routledge, Carol Stroehman, Donald Weigel and Richard Woolson.

## To Preach Sermon For 'Rose' Service

The Rev. Wallace E. Fisher, pastor of Christ Lutheran church here, will preach the sermon during the morning program, and offer prayer at the afternoon exercises at the annual Festival of the Red Rose to be held Sunday, June 12, at Zion Evangelical Lutheran church, Manheim.

The services are in connection with the annual payment of a rose as rent for the land on which the church is located. The original deed, given in 1772 prescribed "In the month of June yearly hereafter the rent of One Red Rose." Dr. Henry S. Borneman, president of the Pennsylvania-German society, Philadelphia, will make payment of the Rose during the afternoon program and Mrs. Elizabeth Van T. Dannehower, Westfield, N. J., will accept the payment. Mrs. Dannehower is a descendant of Baron Steigel, who gave the land for the church. Roses will also be distributed to other Steigel heirs present for the ceremony.

## Safety Council Has "Honeymoon Tips"

New York, June 1 (AP)—How to carry a bride safely across the threshold was told today to June bridegrooms by the greater New York Safety Council. Said the Council: "The correct way to lift an object is to bend the knees, keep the body upright, take a firm grip on the object to be lifted, and push upward with the leg muscles. The strain should be on the lifter's legs, not his back. Do not try to lift too much weight. When carrying any object hold it in such a way that your vision of the path ahead is not obstructed."

The safety council's lesson added that the bridegroom would find the same technique handy later while lifting furniture or barrels in setting up housekeeping.

Washington, June 1 (AP)—Twelve papers found in Judith Coplon's purse are not being offered as government evidence in her espionage trial "on the grounds of security." This was disclosed today by John M. Kelley, Jr., a government prosecutor.

# Social Happenings

Phone Gettysburg 640 or Biglerville 21-R-14

Mrs. Joseph L. Rosensteel, Taneytown road, and Mrs. Joseph H. Riley, York street, spent today in Harrisburg.

Members of the Gettysburg high school faculty and employees at the high school building held their annual spring breakfast this morning at Rosensteel's park, Taneytown road.

Mr. and Mrs. Edward L. Culver, East Middle street, entertained over the week-end Mr. and Mrs. F. B. Knode, Greencastle; Charles Knode, Harrisburg, and Mrs. William F. Harding, Silver Springs, Md.

**Out-of-town visitors** at the home of Mr. and Mrs. William I. Shields, North Washington street, over the holiday period included Mrs. F. Richard McLaughlin, Philadelphia; Mr. and Mrs. Richard M. Millard and son, Stephen, Kennett Square; Mr. and Mrs. Donald Long, and daughter, Donna, Altoona; Mrs. Fannie Gwinn and Alice Plank, of Altoona; Mr. and Mrs. Marshall Walters and daughter, Barbara, Harrisburg; Mrs. Earl M. Snyder and children, Earl Jr., Kenneth, Joyce and John, of Hanover; Mr. and Mrs. George Hamm and daughter, Martha, of York, and Mr. and Mrs. Ernest Hamm, York.

A regular meeting of the Auxiliary of the local Veterans of Foreign Wars will be held this evening at 8 o'clock at the VFW home, Carlisle street. Arrangements will be made at the meeting to provide transportation for those who plan to attend the district convention at Waynesboro Sunday, June 5.

Mr. and Mrs. Clarence Kitzmiller, Alliquippa, Pa., are spending the week visiting relatives here.

## EUROPEAN ARMS TO BE DELAYED

Washington, June 1 (AP)—Congress evidently is going to pass up until next year the program for re-arming America's European allies. The tip-off on that came Tuesday from the House majority leader, Rep. McCormack (D-Mass.). He omitted it from a list of chores he said the House will get out of the way before Congress quits.

Influential Senate Democrats also have indicated the \$1,130,000,000 arms program for partners in the North Atlantic alliance won't be pushed.

But the North Atlantic treaty itself definitely is on the Senate schedule for action this session. The Senate Foreign Relations committee plans to start work tomorrow on a "good, strong report." Chairman Connally (D-Texas) said.

The House has no say on ratifying the treaty. But the House would have to approve the arms program to back it up.

Originally there was talk of bundling up in one big \$1,450,000,000 package all the legislation to authorize military help to Western Europe and to continue it for Greece and Turkey. Now it looks as if the Greek-Turkish part might be pushed through separately.

## SWIM PROGRAM

(Continued from Page 1)  
Monday through Friday.

Registration cards must be signed by parents, and Boy Scouts, Girl Scouts, Cubs and Brownies are to secure registration cards for the instruction through their troop leaders.

Candidates for life saving classes and individual enrollees are to secure their registration cards at the Red Cross office on Baltimore street. All cards for life saving classes, Boy Scouts and Cubs must be in the Red Cross office by June 15, Mrs. Pennington said. She added that, following usual custom, enrollees will be accepted on the "first come, first served" basis. When classes are filled enrollees will be closed.

There will be no charge for the instruction and through the generosity of Miss Lamont, owner of the pool, no admission is charged at the pool for participants in the Red Cross classes. Mrs. Pennington said. All of the classes, with the exception of those at Littlestown and Marsh Creek, will be held at the Battifield pool.

Instructors will be Edward Muhlback and John Harford, both students at Gettysburg college.

## Farm Mortgages Rise In Penna.

Harrisburg, June 1 (AP)—Farm mortgages in Pennsylvania were up 41 per cent to \$129,758,000 at the start of 1949.

The state Agriculture Department said Federal-Statue surveys show that the mortgage debt went up 26.2 per cent in the state after hitting the lowest point on record in 1946. Most of the increase came in 1946 and 1947.

"The present total farm mortgage debt is not excessive," commented Miles Horst, state agricultural secretary. "It is about the same as in 1942. The all-time high was \$148,500,000 in 1932."

## Engagement

Weikert-Hull

Mr. and Mrs. Russell Hull announce the engagement of their daughter, Mary Jane, to C. Richard Weikert, son of Mr. and Mrs. Merle Weikert, Fairfield.

The bride-elect graduated from Washington Township high school with the class of 1949. Mr. Weikert also attended the same high school. No date has been set for the wedding.

## Wedding

Hoke-Swisher

Before a background of palms, candelabra and vases and baskets of white gladioli, snapdragons and carnations, Miss Mary Maxine Swisher, Waynesboro, daughter of John F. Swisher, Harrisburg, and the late Mrs. Cora Swisher, and Francis Rowe Hoke, Lorain, Ohio, son of Mrs. Sarah Hoke, Emmitsburg, Md., and the late Charles Hoke, exchanged their nuptial vows Sunday evening at 6:15 o'clock in the Lutheran church, Waynesboro.

The Rev. Dr. B. Clinton Ritz performed the double ring ceremony in the presence of only the immediate families.

The bride's brother, Franklin Mitchell Swisher, Portsmouth, N. H., gave her in marriage. The couple was unattended.

Nuptial music was played by Mrs. Lawrence Deatrich.

White candles and daisies decorated the tables at the reception after the wedding in the Anthony Wayne hotel.

The couple left for an unannounced wedding trip. After June 15, they will be at home at 2147 East Erie avenue, Lorain, Ohio.

The new Mrs. Hoke is a graduate of John Harris high school, Harrisburg, and of the Harrisburg Hospital Training School for Nurses. She also attended the University of Pennsylvania and Lebanon Valley college and served as a flight nurse for 38 months. Mrs. Hoke has been school nurse in Washington township.

Her husband attended Mount St. Mary's college in Emmitsburg and is a graduate in engineering from Gettysburg college. He served with the Army for 34 months with overseas duty in the ETO. He is now an engineer with the National Tube company in Lorain.

## See Operation By Color Television

Philadelphia, June 1 (AP)—A group of newspaper men and women yesterday watched by color television receivers the Caesarean delivery of a girl at the University of Pennsylvania hospital.

The demonstration, sponsored by Smith, Kline and French Laboratories, Inc., was described as the first public viewing of surgery by color television.

The university's director of surgical research, Dr. I. S. Ravdin, said the television audience "saw more of the operation than the surgeon's assistants and nurses in the operating room" three floors away.

Officials of the Columbia Broadcasting System, which designed the television equipment used, and Zenith Radio Corp., manufacturers of the receiver, said the demonstration was not color television comparable with the present reception of a black and white picture. The equipment was specially designed for closed circuit operation and is intended primarily for surgical instruction in medical schools.

## Asks Observance Of Dairy Week

Harrisburg, June 1 (AP)—Miles Horst, state agriculture secretary, today called upon Pennsylvanians to observe June as National Dairy Month in honor of the state's "greatest agricultural industry."

Horst said dairy farming in Pennsylvania produced a gross income of more than \$300,000,000 in 1948 and placed the commonwealth third among the states in production. "The industry provides about one-third of all farm cash income within the state," Horst added. "Pennsylvania also stands third among all states in the total farm cash income from dairy products."

The commonwealth at the beginning of the year had a record number of 1,000,000 milk cows valued at \$233,000,000. They are maintained on more than 40,000 dairy farms. Approximately 2 1/2 billion quarts of milk are produced annually in Pennsylvania.

## EGG PRICES

Latest prices paid by Adams County Egg Coop. for Grade A eggs at farm:

Large White	55c
Medium White	48c
Large Browns	53c
Medium Browns	48c

## NEW YORK EGGS

New York, June 1 (AP)—Wholesale egg prices were slightly higher today with nearby grades particularly in demand. Eggs 45,335, firm. (Top quotations on nearby white and brown eggs represent wholesale selling prices for the finest marks, and not paying prices to producers or shippers.)

Whites: Extra fancy heavyweights 59; fancy heavyweights 57-58; others 54-56; mediums 52-54.

Browns: Extra fancy heavyweights 59; fancy heavyweights 57-58; others 54-56; mediums 52-54.

He coughed up the evidence.

# COUPLE MARKS ANNIVERSARY

Mr. and Mrs. Carl V. Kepner, Fairfield R. 1, observed their 21st wedding anniversary at their home Sunday. Mrs. Kepner was the former Miss Ethel Shaffer.

A buffet luncheon was served to the following guests: Mr. and Mrs. Kepner and children, Caroline, Jo-ellen, Lois, Willis, Joyce and Stanley. Mr. and Mrs. William Kepner, Fairfield R. D.; Charles Chamberlain, Waynesboro; Mr. and Mrs. Joe Wolf, Frederick; Mr. and Mrs. Martin L. Shaffer, East Berlin; Mr. and Mrs. Luther M. Shaffer and children, Frederick; Donald, Shelley Jean, Mickle, David, Mary Ann, Jay and Sandra Kay, Gettysburg R. 2; Mr. and Mrs. Raymond Shaffer and children, Frederick, Joanne and Raymond, Jr., Chambersburg; Mr. and Mrs. Ivan A. Shaffer, Brockport, N. Y.; Mr. and Mrs. Roy P. Shaffer and children, Laverne and Darlene, Mr. and Mrs. Kenneth E. Shaffer and daughter, Carrie Mae, East Berlin, and John Staley and Stanley McIntire, Fountaindale.

A large three-tier white cake formed the centerpiece for the table. Bouquets of pink and white peonies, pink roses and many colored iris were used in decorating. The couple received many gifts. Ivan Shaffer, New York, brother of Mrs. Kepner, visited at the Kepner home over the week-end for the first time in four years.

## SECRET PAPERS AT HISS TRIAL

New York, June 1 (AP)—The government charged today at the perjury trial of Alger Hiss that he was responsible with his wife for making 65 typewritten copies of secret State Department papers.

Assistant U. S. Attorney Thomas F. Murphy asserted in his opening address to the jury of ten men and two women that one of the documents "is secret to such an extent that we will ask the judge not to permit you to see it."

Murphy said 65 typewritten sheets were made of 47 department documents, all dated in the first three months of 1938.

Meanwhile, three women who served as baby-sitters in the Washington, D. C., home of Hiss have been subpoenaed as possible prosecution witnesses in the trial of the former State Department official. In his address to the jury at the opening of the trial's second day Murphy said the government would prove the documents—either copies of paraphrases of the State Department papers—were turned over to Whittaker Chambers, self-styled courier for a Communist spy ring.

Murphy also declared the government would produce four handwritten documents which Chambers said he received from Hiss and will prove they are in Hiss' handwriting. These small pieces of paper, Murphy said, contained information which Hiss jotted down in his office when he did not have time to take original documents home for copying.

## 36th Anniversary For Auto Company

Today marks the 36th anniversary of the automobile agency founded in Arendtsville by the late H. H. Warren and now trading as Warren Chevrolet Sales, 57 York street. The business was established in 1913 by Mr. Warren and his son, the late J. Melvin Warren. It was moved to Gettysburg in 1933 as the Warren Chevrolet Sales. The agency has sold Chevrolets for 31 years and acquired the Buick franchise in Gettysburg in 1936. Richard C. Warren, grandson of the founder, is proprietor of the business now.

The 15 employees of Warren Chevrolet Sales have averaged about six years of experience with Chevrolet. In addition, the 12 men in the service department have completed on the average 10 years with other makes. C. J. Fisher, service manager, who has been in the automobile business about 24 years, observed his fifth anniversary with Mr. Warren on May 18. Key personnel also includes G. A. Bream, parts manager, and J. C. Tate, bookkeeper.

Richard C. Warren is a member of the Chamber of Commerce and Lions club in Gettysburg and the Pennsylvania Automotive Association.

## THE PETER PAN CLUB OF THE UPPER ADAMS JOINT HIGH SCHOOL IS HOLDING A PICNIC AT PINE GROVE TODAY.

The Peter Pan club of the Upper Adams joint high school is holding a farewell party at Caledonia on Tuesday for Mrs. Hunter and Mrs. Shugars, teachers at the high school, who will not return next year.

## THE REGULAR MONTHLY MEETING OF THE WOMAN'S MISSIONARY SOCIETY OF ST. PAUL'S LUTHERAN CHURCH, BIGLERVILLE, WILL BE HELD AT THE PARSONAGE ON FRIDAY EVENING AT 8 O'CLOCK WITH MRS. O. C. RICE, SR., PRESIDING.

Mr. and Mrs. Harry Snyder, of Bendersville, had as recent guests Mr. Snyder's brother and sister-in-law, Mr. and Mrs. Mark Snyder, of Philadelphia.

Miss Bernice Hemler, of Gettysburg, and Miss Dorothy Howe, of Bendersville, were visitors in Harrisburg, Tuesday.

Mr. and Mrs. Oscar C. Rice, Sr., had as guests over the week-end at their home in Biglerville, Mrs. Rice's brother, the Rev. Ira Trostle and his two daughters, Miss Jeannie Trostle and Miss Elizabeth Trostle, of Lonsdowne, who were also entertained by Mr. and Mrs. Herbert Miller at their home in Quaker Valley.

Mr. and Mrs. Harry Wolfe had with them over the week-end at their home in Biglerville, their son and daughter-in-law, Mr. and Mrs. John Wolfe, and two children, of Baltimore.

Gilbert Lupp, Jr., spent a week-end pass from Camp Kilmer, New Jersey, with his parents, Mr. and Mrs. Gilbert Lupp, of Biglerville.

Russell Walter, who has completed the year's work as a student at Elizabethtown college, is spending the summer vacation at his home in Biglerville.

Miss Blanche Slaybaugh and Miss Thelma Slaybaugh, of Harrisburg, spent the week-end with their mother, Mrs. William P. Slaybaugh, of Biglerville, and attended the commencement exercises of Biglerville

# Upper Communities

FIRE AUXILIARY TO SERVE SUPPER

The Ladies Auxiliary of the Bendersville Fire company will hold a cafeteria supper in the community hall Saturday evening starting to serve at 5 p. m.

The supper is being held to raise money to purchase new chairs for the hall. They will replace the old ones which have been in use since the hall was first built by the Fruit Growers Hall company.

Ham, a variety of vegetables, soup, strawberry shortcake, pie, cake and ice cream will be served Saturday evening. Bingo will be played in the rear of the hall. The public is urged to support the supper.

During the past several weeks the auxiliary has installed a new steam table in the kitchen; purchased silverware, dishes, kettles, etc., totaling a cost of approximately \$300. The kitchen is now stocked with equipment to serve 200 people for suppers or banquets.

The auxiliary will serve the Upper Adams County Lions club at their regular dinner meetings on the first and third Tuesday evenings during June and July.

Mr. and Mrs. Ralph Davis and daughters, Linda and Sharon, and son, Jimmie, Hyattsville, Md., spent the week-end with Mrs. Davis' mother, Mrs. James White, and family, Biglerville R. 2. Other guests at the White home Sunday were Frank Rowe and daughter, Mae, Emmitsburg.

The "Little school" conducted by Mrs. Lewis Bosserman at her home in Arendtsville closed this morning with a program of songs and poems by the children, whose parents were guests for the affair. Refreshments were served and each child was presented with a gift for practicing good health habits.

Among the children who attended the school are Anita Deardorff, Anna Davis, Carol Bosserman, Trudy Hoffman, Carol Diehl, Perry Thomas, Carol Lee Frantz and Linda Bosserman.

Harold Ditzler, who is stationed at Camp Kilmer, New Jersey, spent the week-end with his parents, Mr. and Mrs. Melvin Ditzler, of Biglerville.

Miss Bessie Heller, a student nurse at the Harrisburg hospital visited her parents, Mr. and Mrs. George Heller, Biglerville R. D., over the week-end.

Mr. and Mrs. H. W. Knouse, of Bendersville, visited over the week-end with Mr. and Mrs. H. W. Rafensperger, formerly of Bendersville, and now of Sparrows Point, Md.

Mr. and Mrs. Sterling Eyer and Mr. and Mrs. Fred Goodrich, of Cleveland, Ohio, spent the week-end with Mr. Eyer's and Mrs. Goodrich's parents, Mr. and Mrs. Darwin Eyer, of Biglerville.

A dance recital by the pupils of Anna D. Hoyer will be presented at the Biglerville auditorium on Friday, June 10, at 8 p. m., and at the Arendtsville auditorium on June 11. The recital is being sponsored by the American Legion Auxiliary.

The junior class of the Upper Adams joint high school is holding a picnic at Pine Grove today.

The Peter Pan club of the Upper Adams joint high school is holding a farewell party at Caledonia on Tuesday for Mrs. Hunter and Mrs. Shugars, teachers at the high school, who will not return next year.

The regular monthly meeting of the Woman's Missionary society of St. Paul's Lutheran church, Biglerville, will be held at the parsonage on Friday evening at 8 o'clock with Mrs. O. C. Rice, Sr., presiding.

Mr. and Mrs. Harry Snyder, of Bendersville, had as recent guests Mr. Snyder's brother and sister-in-law, Mr. and Mrs. Mark Snyder, of Philadelphia.

Miss Bernice Hemler, of Gettysburg, and Miss Dorothy Howe, of Bendersville, were visitors in Harrisburg, Tuesday.

Mr. and Mrs. Oscar C. Rice, Sr., had as guests over the week-end at their home in Biglerville, Mrs. Rice's brother, the Rev. Ira Trostle and his two daughters, Miss Jeannie Trostle and Miss Elizabeth Trostle, of Lonsdowne, who were also entertained by Mr. and Mrs. Herbert Miller at their home in Quaker Valley.

Mr. and Mrs. Harry Wolfe had with them over the week-end at their home in Biglerville, their son and daughter-in-law, Mr. and Mrs. John Wolfe, and two children, of Baltimore.

Gilbert Lupp, Jr., spent a week-end pass from Camp Kilmer, New Jersey, with his parents, Mr. and Mrs. Gilbert Lupp, of Biglerville.

Russell Walter, who has completed the year's work as a student at Elizabethtown college, is spending the summer vacation at his home in Biglerville.

Miss Blanche Slaybaugh and Miss Thelma Slaybaugh, of Harrisburg, spent the week-end with their mother, Mrs. William P. Slaybaugh, of Biglerville, and attended the commencement exercises of Biglerville

## County Real Estate

(Continued from Page 1)

another weakness of the current assessing system is that it restricts tax resources and borrowing power of local districts for new school construction.

"While the low assessed valuations in the past," the board commented, "have placed school districts in a favorable position in the matter of school subsidies and requests for special aid, low assessed valuations adversely affect local budgets."

It added that "the equalization program established by Gov. James H. Duff will ensure equitable school subsidies and it has been instrumental in arousing local interest in an equalization of assessed valuations of taxable real property to insure an equitable distribution of the local real estate tax in conformity with the provisions of the law."

## Situation General

The board, created by the 1947 Legislature to find out the worth of property in every school district in the state, reported that in all but a handful of school districts, assessments are far below property values. It reported that the average for all but 22 of the state's largest school districts was less than 30 per cent of market values.

The 1949 Legislature, in expectation of the board's findings, postponed use of the data until next year. Grants to school districts for the 1948-49 school term will still be based on assessed values.

## Changed Subsidy Plan

In addition, it increased from \$2,450 to \$3,350 the maximum subsidy any district can receive and cut from six to four mills the so-called local effort rate used in determining grants. Districts also were guaranteed the same subsidies for instruction for the 1949-50 school term as they receive for the 1948-49 year.

Without the change, a district with an assessed valuation of \$100,000 for each teaching unit—30 elementary and 22 high school pupils—would have had state grants sharply reduced by the switch to market values.

If the market value was four times the assessed value, such a district could have expected a grant of only \$50 instead of \$1,850 a unit.

## How It Works

It would have worked this way. Six mills times \$100,000 is \$600; subtract that from \$2,450 and you get \$1,850 or the amount of subsidy now. Without the boost in the subsidy maximum, the new grant would have been the result of multiplying six mills times \$400,000 or \$2,400, which subtracted from \$2,450, leaves \$50. But the new rate is four mills. That times \$400,000 is \$1,600 and if that is subtracted from \$3,350, not \$2,450, you get \$1,750.

The state uses a quicker system. Statisticians in the Department of Public Instruction calculate what they term a "reimbursement fraction" for each school district. It is simply that part of the maximum state subsidy a district is entitled to on the basis of assessed valuations. New fractions will be based on market values.

## May Take Appeal

The tax board reported that in 20 school districts, the assessed values were between 12-16 per cent of market values, in 160, between 16-20; in 363, between 20-24; in 510, between 24-28; in 521, between 28-32; in 384, between 32-36; in 235, between 36-40; in 275, between 40-50; in 68, between 50-72.

Philadelphia with assessments of \$2,759,274,727 against market values of \$5,021,890,986, had the highest ratio of any county in the state. It is 54.94 per cent. In Pittsburgh, the percentage is 53.97. For the rest of the state, the average is 32.01 per cent.

School districts have until August 31 to appeal from the board's findings.

high school as the guests of Miss Janie Warren.

Mrs. Richard Simmons, of Frederick, spent Monday with her cousins, Mr. and Mrs. Wilmer Bream, Carlisle road.

Mrs. Mary Hoke, of Lancaster, has concluded a visit with her brother and sister-in-law, Mr. and Mrs. Hobart Heller, of Biglerville, and was a guest of her niece, Miss Audrey Heller, at the Biglerville high school commencement exercises, as was also Miss Heller's sister, Miss Fern Heller, of Harrisburg.

## UNITED THURSDAY

Funeral services for Frank Lidia, 70, who was found dead Tuesday at his home near Greenmount, will be held Thursday afternoon at 3:30 o'clock from the Creager funeral home, Thurmont, with the Rev. Ivan G. Naugle, United Brethren minister, officiating. Interment in the Thurmont cemetery. Friends may call at the funeral home Wednesday evening.

Nanking, June 1 (AP)—Diplomatic sources said today most countries—including Britain, France, Russia and India—favor recognition of the Chinese Communists when their new national government is set up.

American officials here, these sources said, are urging that recognition be used for bargaining with the Communists for better treatment of non-Soviet interests. The United States has less immediate need for formal relations than Britain, France and India.

## Gifts For The June Bride

## TEXAS LUNCH, BREAM GARAGE COP CONTESTS

### LEAGUE STANDING

	W.	L.	Pct.
G. L. Bream Garage	5	0	1.000
Moose	4	2	.667

### Tonight's Games

Oyler Motors vs. Elks, 6 p. m.  
Stanton Legion vs. VFW.

### Thursday's Games

VFW vs. Texas Lunch, 6 p. m.  
G. L. Bream Garage vs. Oyler Motors.

### Friday's Games

G. L. Bream Garage vs. Moose, 6 p. m.  
Lentz Legion vs. Texas Lunch.

The Texas Lunch snapped a three-game losing streak and won its first game of the season Tuesday evening by lacing the Moose 11-4 in the opening Community Softball league contest.

Heintzelman and Oden each poled three hits as the lunchmen pounded out 11 safeties to win handily. Bartholomew and Raffensperger rapped out triples for the victors while Arnold secured two of the losers seven hits.

In the nightcap the G. L. Bream Garage won its fifth in a row by blanking the Lentz Legion 6-0.

Two homers in the fifth inning, one by Abe Hankey with two aboard, and a round tripper by George Fair, sewed up the contest for the garagemen.

Two base hits, Houck. Three base hits, Bartholomew, Raffensperger.

## White Sox Batters Top American List

Chicago, June 1 (AP)—The surprising Chicago White Sox today had the one-two leaders in the American League batting race, but No. 1 with a .355 mark was injured Gus Zernial, now sidelined for several months. The runner-up, 12 points behind Zernial, was Pale Hose Second sacker Cass Michaels with .343 after a one-week surge of 25 points.

Zernial's broken right collar bone probably cost the freshman outfielder a shot at the league batting championship. Now on the disabled list, Zernial is ineligible for 60 days.

The American League requires a minimum of 400 at bats for title consideration. Thus, even if Zernial returned to action late in July and resumed his brilliant hitting, it would be touch-and-go getting to the plate 400 times. He now has 138 AB's.

Third in the standings through Monday's games was Boston's Dom DiMaggio with .335. Other leaders were George Kell, Detroit, .335; Ted Williams, Boston, and Dale Mitchell, Cleveland, .333 each; Sam Chapman, Philadelphia, .325; Eddie Robinson, Washington, .321; Roy Sievers, St. Louis, who dropped from first to ninth, .320; and Detroit's Johnny Groth, .318.

## Bill Holland Gets \$51,575 In Prizes

Indianapolis, June 1 (AP)—Bill Holland, who shook off the bad breaks of his first two 500-mile speedway auto races to set a new record in winning his third try, raked down the second highest prize money total in speedway history for his victory.

The Reading, Pa., roller rink proprietor won \$51,575 for himself and Lou Moore, owner of the Blue Crown Special Holland drove. Only Billy Arnold ever got more for a speedway victory in 1930. He led all but three laps of the 1930 race and won \$52,100.

Johnny Parsons won \$18,250 for placing second. The Van Nuys, Calif., pilot set a new speedway record for rear-drive cars.

Other prize money awards: Third place—George Connor, Los Angeles, \$11,675; fourth—Myron Fehr, Milwaukee, \$8,575; fifth—Joie Chitwood, Reading, Pa., \$6,950.

The bow and arrow were first used in the Old Stone Age.

## Ralph Kiner Near National Loop Top

New York, June 1 (AP)—The pack is closing in on Willard Marshall of New York, current pace-setter in the National league batting race. Marshall, who led by 15 points a week ago, is hitting .368, only two points ahead of Pittsburgh's Ralph Kiner on averages that include games of May 30. Kiner's .366 is only two better than Eddie Kazak of St. Louis, at .364. Then comes Red Schoendienst of St. Louis, .353.

Jackie Robinson of Brooklyn, hitting .556 in the past week, is the hottest threat to the leaders. Jackie is tied for fifth with Cincinnati's Ted Kluszewski at .352. The Red's first baseman also had a sizzling week with 15 hits in 33 at bats.

Emil Verban of Chicago boosted his mark to .349, good for seventh place and Bobby Thomson of New York recaptured a spot in the top 10. He is batting eighth at .333.

## BASEBALL

### AMERICAN LEAGUE

### Only games scheduled.

## Eastern League

### (By The Associated Press)

Wilkes-Barre led the Eastern league today, after the Albany Senators "cousins" from Hartford let them down—into second place.

The Senators had won eight straight from the Chiefs before losing the second game of Monday's doubleheader at Hartford. That enabled Wilkes-Barre to tie the Senators for the top.

Then, again last night, Hartford joined the Senators, 8-6, while Bill Norman's Wilkes-Barre Indians roared from behind to edge Elmira, 8-7. That gave the Indians a one-game margin out in front. Hartford jumped into fourth place and Elmira dropped out of first division into sixth.

The Scranton Red Sox absorbed a batting and pitching lesson from their parent Boston Red Sox, 13-2. The exhibition drew 8,195 at Scranton. Dave (Boo) Ferris subdued the Little Sox on nine hits while the Boston Brethren blasted Sid Schacht and Ralph Holmes for 18.

## Sport Shorts

Philadelphia, June 1 (AP)—The champion Philadelphia Eagles of the National Football league are going in for night games on a bigger scale than ever.

The 17-game exhibition and regular season schedule, announced yesterday, calls for seven games under the lights.

Four of the five exhibition contests will be played at night, opening against the college all-stars at Soldier field, Chicago, August 12.

## Bill Holland Gets \$51,575 In Prizes

Indianapolis, June 1 (AP)—Bill Holland, who shook off the bad breaks of his first two 500-mile speedway auto races to set a new record in winning his third try, raked down the second highest prize money total in speedway history for his victory.

The Reading, Pa., roller rink proprietor won \$51,575 for himself and Lou Moore, owner of the Blue Crown Special Holland drove. Only Billy Arnold ever got more for a speedway victory in 1930. He led all but three laps of the 1930 race and won \$52,100.

Johnny Parsons won \$18,250 for placing second. The Van Nuys, Calif., pilot set a new speedway record for rear-drive cars.

Other prize money awards: Third place—George Connor, Los Angeles, \$11,675; fourth—Myron Fehr, Milwaukee, \$8,575; fifth—Joie Chitwood, Reading, Pa., \$6,950.

The bow and arrow were first used in the Old Stone Age.

## Adams County League Champions

Above are pictured the members of the East Berlin high school baseball squad who won the Adams County Scholastic Baseball league championship during the past season with a perfect record of five wins against no losses. Coach Warren Zimmerman's team, in addition to league wins, scored triumphs over Hanover and St. Francis Prep and had an over-all record of 8-2. The two losses were by the "B" team, composed only of non-seniors, to Hanover 4-3, and Dillsburg 6-4.

Appearing in the picture are: Front row, left to right, Dale Reichert, ss; John Myers, 3b; Ned Detter, 1b; Gene Hoopes, c; Bill Moul, p; 1b; Carl Perry, c; Earl Mummert, 2b. Second row, Roger Murray, lf; Donald Hinkle, ss; John Wonders, rf; Clifford Barnes, utility; Lester Murray, cf; Kenneth Myers, cf; Burnell Groupe, 2b. Back row, Charles Weaver, p; Elvin Lau, assistant manager; Wayne Mummert, 1b; Coach Zimmerman, and Bob Leib, manager and scorekeeper.

## Sports Roundup

### By HUGH FULLERTON, Jr.

New York, June 1 (AP)—Mr. Manager, how would you like to have a ball club with seven regulars hitting .300 or better and seven pitchers, the least effective of whom has a .750 won-lost record?

That's the position Lee Gooch, Wake Forest college coach is in as his team prepares for the NCAA playoffs. . . . Wake Forest, always a good baseball school, won 24 games and lost two this season, beating a couple of class B professional teams on the way. . . . Only the pitchers and Catcher Russell Batchelor failed to hit .300 and the averages ranged up to .402 for Wiley Warren, who bats seventh. . . . Batchelor made up for his failure in his last time at bat during the regular season. He had gone 0 for 16 and the Deacons were tied with North Carolina State, the only college team to beat them this year. So Russ clouted one over the fence to win the game.

### SPORTS BEFORE YOUR EYES

Mary Dagrædt, who plays softball for a LaSalle, Ill., team, socked four home runs, a double and a single in six times at bat the other night and struck out 20 while pitching a two-hit game against Spring Valley. If any Dodger scouts are interested, the teams are scheduled for a return engagement tomorrow. . . . The Penn State-Army football game next fall has the Penn State students so excited they arranged to buy their tickets and set up plans for a special train to West Point before leaving for summer vacation. . . . George Estock, who pitches for the Austin, Tex., club of the Big State league, figures he must have set some sort of record by winning ten of his team's first 36 games. Last year he won eleven all season. . . . And High Point-Thomasville (sounds like a double play) of the North State league won 26 of its first 29.

### CLEANING THE CUFF

The U. S. Open Golf championship, which will be contested for the 49th time at Medinah, Ill., this month, wasn't won by an American-born player until the 18th tournament in 1911. . . . John J. McDermott, an ex-caddie from Philadelphia, turned the trick at another Chicago club. . . . Roy Potochnik, Marquette U. pole vaulter and former IC4A indoor champion, recently won a university literary contest with a 3,000-word epic poem about the Army Air Force.

## Yesterday Stars

### (By The Associated Press)

Batting—Carl Furillo, Dodgers—hit homer in 14th inning to give Brooklyn 6-4 edge over New York Giants.

Pitching—Jack Banta, Dodgers—hurled 5½ scoreless and hitless relief innings in Brooks' 14-inning victory.

### GAME AT HUNTERSTOWN

The Gettysburg Aces baseball team will play Hunterstown on the latter's field Friday evening at 6:15 o'clock.

Branks or scolding brides were contrivances once used in the British Isles to punish "scolding women." It was a headpiece with a piece of iron that fitted the mouth and depressed the tongue.

## SENATOR ASKS AEC RECORDS ON FDR TALK IN '43

### Washington, June 1 (AP)—Senator Hickenlooper (R-Iowa) demanded today that the Atomic Energy commission turn over to him a vast volume of records and reports, including memoranda of 1943 Roosevelt-Churchill talks at Quebec on atomic matters. He also asked FBI and Security reports on an unnamed number of persons.

Hickenlooper fired this demand when the Senate-House Atomic committee opened hearings on his charge that there has been "incredible mismanagement" of the Atomic Energy commission under the chairmanship of David E. Lilienthal.

He said he needed the material by 4 p. m. (EST) as a basis for future questioning of Lilienthal.

Among other things, Hickenlooper asked the minutes of the commission's meeting and its records of overtime pay to personnel in the headquarters office.

"No Persecution, No Whitewash" Lilienthal sat impassively while the Senator ticked off a 14-point list of material he wants. He gave no immediate indication whether or not the commission would attempt to comply with the request.

Lilienthal has called Hickenlooper's charges an "un-American" effort to "smear" the commission. He also has declared that the atomic project was "bogged down" when the civilian commission took it over from the army in 1946 and now is "really rolling."

Chairman McMahon (D-Conn.) said the aim would be to get at the truth—that there would be "no persecution" and "no whitewash."

Hickenlooper had a sealed envelope he said contained the names of the persons he wants to get security data about. He did not say how many names there were.

Called "Inadequate" With Lilienthal and Carroll L. Wilson, AEC general manager, facing him over a committee table, Hickenlooper began by saying that Lilienthal is "inadequate" to fill the job he holds.

The Iowa senator then demanded the information on 14 different matters, and started to hand to Lilienthal the sealed envelope.

Hickenlooper said he wanted this material to use in future questioning of Lilienthal.

Chairman McMahon (D-Conn.) asked to see the envelope.

McMahon opened it, read the list, and handed it to Lilienthal.

Besides this, Hickenlooper asked that the commission deliver to him by 4 p. m., today, the following:

1. All correspondence regarding the custody of atomic weapons.

2. Reports of the commission's advisory committee.

3. Records of all overtime paid to headquarters personnel in Washington.

Other Data Sought

4. The minutes of the commission's general advisory board.

5. The minutes of its military liaison committee.

6. The commission's minutes.

7. Records of the Quebec conference pertaining to atomic matters. (The conference was a 1943 meeting of the late President Roosevelt and then British Prime Minister Winston Churchill and their advisers.)

8. A Hyde Park memoire on atomic

## Masked Men Rob Restaurant Of \$135

Lancaster, Pa., June 1 (AP)—Two masked robbers held up the Mayflower restaurant today and escaped with \$135.

The intruders, wearing handkerchiefs over their faces, entered the restaurant shortly after 3 a. m., one carrying a 12-gauge shotgun with a rusty barrel.

Three patrons—two men and a woman—seated in booths were not molested.

The gunman ordered proprietor George M. Passas to turn over the money in the cash register and when he opened the drawer, the robber scooped up what was in the register. The two fled.

## GASOLINE UP CENT TODAY

Harrisburg, June 1 (AP)—Gasoline went up a penny a gallon in Pennsylvania today.

The 1949 General Assembly boosted the state tax at the recommendation of Gov. James H. Duff to provide an additional \$40,000,000 for new road construction.

The Legislature increased the temporary tax from one to two cents for the next two years, hiking the overall commonwealth gasoline levy from four to five cents a gallon.

But the state won't start to collect receipts from the new levy until distributors pay the state taxes due the commonwealth on June business at the end of July.

Gasoline stations as well as millions of motorists throughout the state filled their tanks yesterday to take advantage of the four-cent rate.

The governor said in recommending the one-cent hike that receipts of \$225,000,000 for highway operations the next two years would be insufficient to continue the highway building program at its current \$100,000,000-a-year pace.

"REPAIRS" COST \$29,762 Harrisburg, June 1 (AP)—The president's residence of Bloomsburg State Teachers' college will be repaired at a cost of \$29,762. The Department of Property and Supplies awarded the contract yesterday to William F. Schimmel and company, Nanticoke.

matters.

9. Records of the Potsdam conference regarding atomic affairs.

10. A statement of the position of the United States and the United Kingdom on atomic matter in January, 1948.

11. An inventory of the Manhattan District when it was turned over to the civilian commission.

12. Correspondence with the Federal Bureau of Investigation on lost or misplaced atomic source material.

13. Engineering plans for reactor sites.

14. Records of all of the investigations for applicants for fellowships.

McMahon had opened the session with an assertion that there would be "no persecution and no whitewash" in the investigation of the charges Hickenlooper has made against Lilienthal.

The tropical bread-fruit tree has many uses: Its fruit is a dietary mainstay; its wood is used for canoes; its inner bark, for the manufacture of cloth; and its juice for glue.

## DODGERS BEAT GIANTS 6 TO 4 IN 14 INNINGS

### By JACK HAND

### (AP Sports Writer)

Carl Furillo, the fellow Leo Durocher said couldn't hit righthanders, is making his old boss eat his words.

The Brooklyn right fielder hit a 14th-inning home run off Righthander Larry Jansen in the wee small hours this morning to win the "big game" of the young season for the onrushing Dodgers.

Furillo's second homer of the year, both off Jansen, enabled the Brooks to shade Leo's New York Giants, 6-4, in a three-hour, 57-minute marathon at the Polo Grounds.

### Giants Third

As a result of the homer and a spectacular job of no-hit, no-run relief pitching by Rookie Jack Banta, the Dodgers enter June in a two-way tie with the Boston Braves for the National league lead. The Giants, who were partners in a triple tie yesterday morning, now are third.

It was a toughie for Jansen who opposed four different Dodger pitchers during the long evening. He blew an early 3-0 lead and another 4-3 advantage. Then in the 14th he dished up the homer to Furillo. A triple by Roy Campanella sent the turning Giant ace to the showers. Dave Koslo yielded the extra score on Banta's single, his first hit of the season.

Banta's top drawer bullpen job was his second victory within a week since Manager Barney Shotton shifted him to fireman duty. Only two men reached base against the righthander. One walked and the other was hit by a pitched ball. Both were erased on double plays.

### Robinson Keeps Clicking

Jack Robinson, always an important part of every Dodger victory, didn't figure in the headlines of this one although he clicked for three hits. But he made a fine running catch of Johnny Mize's foul fly against the right field wall that helped Robinson always plays deep in a wide shift to right against the long ball-hitting Mize.

As a result of the night's efforts, Robinson boosted his average to .360. He has been going at a terrific clip for the past week. Over that stretch he has hit .563 on 18 hits in 32 at bats, hotter than anybody in the majors.

Jansen was three outs from victory starting the ninth. Gil Hodges opened with a home run. Then they went into their long overtime duel that made it 58 innings for the Giants in the last three days.

The big crowd of 43,922, best of the Polo Grounds night season, knew they were watching a battle for first place. The final of Boston's 7-6 afternoon victory over the Phillies was posted on the scoreboard.

### Braves Win 9th

Boston had to come from way back to take that one. Trailing 5-0 going into the fourth inning, the Braves finally pulled it out when Reliever Jim Konstanty walked Clint Conner with the bases full in the ninth.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

TWENTY-FIVE YEARS AGO

46 Seniors Are Graduated at High School Commencement: Forty-six young people received diplomas Thursday evening at Brua Chapel from Allen B. Plank, president of the board of education, at the annual High School commencement exercises. Dr. Thomas L. Cline was the commencement speaker.

The class roll follows: Dorothy Kime (valedictorian), Pearl Gardiner (salutatorian), Geraldine Epley, Alma Lady, Dorothy Remmel, Earl Golden, Kathryn Hershey, Emma Neely, Elizabeth Bigham, Lorena Strine, Glenn Bushey, Mary Rife, Robert Bream, Winfield Horner, Edgar Markley, Joseph Lestz, Elizabeth Seabrook, Byron Kadel, Elizabeth Neely, Marsha Little, George Basehoar, Lucille Conover, Arthur Musselman, Viola Cromer, Anna Smiley, Richard Stock, Helen Rebert, Richard Downie, Ruth Reaser, Ethel Clapsaddle, Erma Krout, Emma Gouker, Eloise Klinefelter, Jarvis Robinson, Harmon Zinn, Margie Slaybaugh, Lloyd Williams, Harry Knox, Raymond Wisler, Charles Weaver, John Miller, Frank Har-lacker, Mildred Cashman, Martha Bowers, Kathryn Weikert and Geraldine Cashman.

Miss Tyson Bride of New York Man: A beautiful spring wedding was that of Miss Esther Corinne Tyson to Richard Davis Lambert, which took place Saturday night at 6:30 o'clock in the Friends' Meeting House at Flora Dale.

The bride and groom left immediately after a reception for Lynn, Massachusetts, where they will make their future home.

Town Pays Tribute: Again Gettysburg paid unstinted tribute on Friday to the honored living and the immortal dead of the Civil War in annual Memorial Day exercises.

After the parade and the customary exercises of the Corporal Skelly G.A.R. post in the National Cemetery, the oration of the day was given from the rostrum by Congressman William David Upshaw, of Atlanta, Georgia, a true son of the South.

He was introduced by Captain James W. Bodley, superintendent of the National cemetery, who has been a lifelong friend of the southern statesman.

Broadcasting of the exercises at the rostrum was successfully carried out, the first time in history that this feat has been attempted. The receiving set was carefully hidden on the rostrum, the only part showing being two mouthpieces before the speaker's table. Local radio fans who tuned in with the Gettysburg college broadcasting station, which sent out the exercises, said they had no trouble picking up the station or of hearing most of the address and other numbers on the program.

New York, May 27.—Victor Herbert, composer and orchestra leader, died suddenly Monday afternoon while on his way to visit his physician.

Mr. Herbert was born in Dublin, Ireland, February 1, 1859.

Bigger Grads Get Diplomas: The twenty members of the graduating class of the Biglerville High School received their sheepskins at commencement exercises in the Biglerville auditorium Tuesday evening. The members of the graduating class are:

President, Raymond P. Oyley; vice president, Spencer K. House; secretary, Kathleen E. Blocher; treasurer, Clifford Bucher, student council, Claude W. Miller; Esther G. Bigham (valedictorian), Julia R. Blocher, Bruce L. Burtner, Eva L. Carey, Kathryn V. Fidler, Jimma S. Gilliland, Margaret M. Lady, Ruth L. Linah, Carrie B. Peters, Bernetta V. Quigle (salutatorian), Hilda M. Rice, L. Thelma Slaybaugh, Grace B. Wagner, Marjorie M. Walter, George P. Weaver.

Fairfield to Graduate Two on Tuesday Evening: Commencement exercises for the two members of the graduating class of the Fairfield

## Today's Talk

By GEORGE MATTHEW ADAMS  
NEW ENGLAND AND  
NOVA SCOTIA

Now that the beautiful Summer days are upon us, and vacations are in vogue, I can think of no better territory to visit than New England and Nova Scotia. Here it was that the beginnings of a great continent centered. Studying American history without a thorough knowledge of the early history of New England would be like omitting Hamlet from Shakespeare.

Many a drive I have taken through the beautiful villages, cities, and hills of New England. Here are to be found an endless number of rivers, lakes, and seaside resorts that challenge any in the world. From Cape Cod to the great woods of Maine, there are interest and beauty. And it is all steeped in historic lore. There are mountains, peaceful valleys, delightful farming scenes, and a climate to suit the most exacting. It is the vacation land that millions enjoy.

From northern Maine you cross the border into New Brunswick, with its marvelous hills and unspoiled country-sides, and through a farming and dairy valley that is inspiring—and with wonderful fishing retreats. But my favorite land for years has been Nova Scotia, where I am located on a small group of islands on Grand Lake, just 22 miles out from Halifax.

Both northern and southern shores of Nova Scotia are imbedded with interest, peaceful little villages and quaint shops that give peace to the soul. In this territory many nations fought for the control of the lands. Here we initiated the beginnings of America. Here you will visit the famous Evangeline country, the early French settlements, and historic Grand Pre, Cape Breton Island, and that beautiful south shore, with its Peggy's Cove, Chester basin and White Point Beach. Out from Chester on the south shore is the famous Oak Island, where for nearly 150 years men have been digging for Captain Kidd's treasure—without success!

There are no more friendly and hospitable folks in all the world than those you will meet in Canada. They are our kind, and I have traveled and met them from ocean to ocean. My favorite retreat, however, is Nova Scotia. It's my second home. Halifax, this summer, celebrates its two hundredth anniversary. There's a Welcome mat before its door!

Tomorrow Mr. Adams will talk on the subject: "Are You Catalogued?"

Protected, 1949, by The George Matthews Adams Service

## Just Folks

FEMININE DESIRE  
"Life would go very well, I think, had I a white enamel sink And pretty glass and chinaware, With those I love the work to share."

"I could be happy were I sure The home established would endure, I would be fun at times to make The children's favorite chocolate cake."

"I'd like to stand beside a bed At evening when the prayers are said; To tuck them in and dim the light And kiss them as they say: 'Good night!'"

This dream has every woman known: Tables and chairs to call her own; A man's devotion, and a roof Kept bitterness and rancor proof.

THE ALMANAC

June 3—Sun rises 5:33; sets 8:23. Moon sets 1:22 a. m.  
MOON PHASES  
June 3—First quarter.  
June 10—Full moon.  
June 18—Last quarter.  
June 26—New moon.

High school will be held Tuesday evening, June 3. Professor R. H. Gaige, of Millersville, will be the speaker.

The two members of the class are Miss Mary E. McClellan and John W. Kittinger.

Couple Are Wed: Without attendants, Harry A. Grube, son of Mr. and Mrs. William Grube, and Addie Berkholder, daughter of Mr. and Mrs. Oscar Berkholder, were married at Gettysburg, June 1, 1949. The Rev. Earl J. Bowman at the parsonage of St. James Lutheran church.

Scouts Hold Jamboree: The Boy Scout club of Gettysburg college held its first annual Boy Scout jamboree on Nixon Field on Memorial Day. Troops from Gettysburg, Flora Dale and Abbottstown participated. First honors were carried off by Clyde Bream's Troop 3, of Gettysburg.

12 Bus Men Are Given Permits: Official notification by the State Public Service Commission has been given J. L. Williams, Esq., that the application for renewal of certificates of public convenience have been granted and certificates issued to the following:

Amos H. Butt, Charles E. Wolf, Grover C. Cluck, James H. Reaver, Meader I. Williams, John H. Kadel, Roy Vaughn, Daniel Shealer, Gettysburg, and William E. Kapp, Biglerville.

## RIGHTS EISLER WOULD DESTROY LET HIM ESCAPE

By JAMES MARLOW

Washington, June 1 (AP)—Communist Gerhart Eisler is a living memorial to one of the most priceless treasures of the West: the rights of an individual in a democratic society, even when he'd like to destroy that society.

Twice convicted in the United States, but free on bail, pending appeal, he fled the U. S., was seized in England, was brought before an English judge, was freed on a legal technicality, and is now safe in Communist Eastern Europe.

His case was judged entirely on legal grounds—on what his rights were under the law—and not on political grounds, although a Congressional committee had called him America's No. 1 Communist and he had a notorious history of intrigue.

Communists Are Different  
Suppose the situation had been reversed and Communist Eisler was in Russia, was considered the No. 1 foe of the Soviet regime, had committed a crime, fled, and was caught in another Communist country behind the iron curtain.

There isn't much doubt he would have been whisked back to Russia, probably without a court hearing at all, and for a reason that illustrates perfectly the difference in the attitude of the East and West toward an individual.

Under Communism, an individual exists for the state, not the state for the individual. It's just the other way around in a democracy like America or England's.

Individual Has Right Here  
In Russia when government policy—which means the desires of the ruling group—conflicts with what a particular law calls the "rights" of an individual, the government policy comes first.

Under Communism a man looked upon as an enemy of the ruling group, which wants to stay in power, gets short consideration. It's different in the West.

There every individual has certain guaranteed rights and he can appeal to the courts for the protection of those rights if they're interfered with.

Decided On Merits  
In this country Eisler was convicted of contempt of Congress and of falsifying a passport. He was sentenced to prison but got out on bail while he appealed to a higher court. Then he skipped to England.

In 1870 England and this country signed an agreement to return to one another a person who had been convicted of perjury in either country.

But the English judge decided that Eisler's falsification of a document here couldn't be considered a perjury under the meaning of the treaty, because it didn't cover falsification of documents. So he refused to send Eisler back here.

## Littlestown

Littlestown — Miss Shirley M. Spangler, daughter of Mr. and Mrs. Theron W. Spangler, North Queen street, a student at Cedar Crest college, was stricken with appendicitis last week before she had completed her final examinations. An emergency operation was performed Saturday morning in the Allentown general hospital, where she remains as a patient. Her condition is improving. Her parents went to Allentown on Saturday and remained there until Monday night. Mr. and Mrs. Harry Scholl and son, Robert, South Queen street, visited Miss Spangler at the hospital on Sunday and from there went to Lebanon to spend Memorial Day.

The Ladies' Aid society of St. Luke's church, White Hall, will have a strawberry and ice cream festival in the church social hall on Friday evening beginning at 6:30 o'clock. Strawberries, ice cream, home-made cake and candy, chicken corn soup, sandwiches and soft drinks will be on sale.

The monthly meeting of the Ladies Auxiliary to the Mason and Dixon Memorial Post No. 6954, VFW, will be held Thursday at 7:30 p. m. in the post home, West King street.

The semi-monthly meeting of the Littlestown Lions club will be held Thursday at 7 p. m. in Banker's restaurant, South Queen street. Program will be in charge of the convention committee consisting of Reid C. Epplenman and Paul L. Hollinger.

Mrs. Ira Yeakel, Baltimore, and Miss Brenda Kathryn Walker, a student nurse in the Church Home hospital, Baltimore, attended the graduating exercises in Littlestown high school on Tuesday evening. Hamilton C. Walker, III, a grandson of Mrs. Yeakel and a brother of Miss Walker was one of the graduates. Miss Walker also spent the day visiting in town.

The annual school picnic for the students of the Littlestown Junior-Senior high school was held Tuesday in Forest Park, Hanover. Buses left the school at 8:45 a. m. They returned in time for the regular dismissal in the afternoon. A luncheon was served at noon by Mrs. Virginia Sheely, Mrs. Joanne M. Breighner, Mrs. Dean Stover, Miss Mary L. Lehman and Mrs. Brenda Walker consisting of hot dogs, rolls, ice cream, soft drinks, cakes, and potato chips. Transportation was in charge of Lloyd L. Staveley, Maurice

## Wins Divorce; Says 'Sicked' Son On Her

London, June 1 (AP)—Mrs. Catherine Jane Allabakhsh told divorce court her Pakistani husband, Eli, sicked their four-year-old son on her.

She said he taught the child to pinch, bite and kick her. He'd hold her down, she testified, while the boy kicked her and tell him, "go on, son, harder."

Allabakhsh denied every bit of it. But the judge gave his wife the divorce—and custody of the son.

## SUMMER RASH OF STRIKES IS BEING FORECAST

Washington, June 1 (AP)—Government officials who keep tab on labor matters said today the nation may be in for a summer burst of strikes.

They pointed to mounting union demands for fourth round postwar wage boosts, increasing employer resistance to added labor costs, and bargaining difficulties over Taft-Hartley law provisions.

These authorities list imminent negotiations in the coal, steel, automobile and maritime industries as crucial in determining if there will be labor peace or strike conflict in the months ahead.

Variations Widen  
But a rash of smaller strikes could break out, too, they said privately. During the war government controls over wages led many smaller unions to expect they could get the "pattern" pay awards won by the larger unions.

This tendency for the smaller unions to demand, and get, the "pattern" awards has continued to some extent after the war. Most unions got the 18-cent raise the big unions negotiated in 1946. The next year the pattern was about 15 cents, and in 1948 about 12 cents.

Now, the experts say, collective bargaining results depend more and more on an employer's ability to pay, or his own economic situation. So the variation among unions is widening all the time. But this may not sit so well with some unions which see others get more.

4th Round Lowest  
A private labor relations advisory service recently estimated fourth round wage increases given so far average just under 8 cents an hour. Government officials think this may be high, that the average may be closer to six cents.

The surveys show a great many fourth round settlements without any pay boost at all. Others show unions settling for pension or other insurance plans, or improvements to existing plans, or extra holidays.

John L. Lewis is starting contract talks for a soft coal industry agreement to succeed the one expiring at the end of this month. He reportedly wants a bigger welfare fund and shorter work week. But he may run into trouble again with the Taft-Hartley law on his union shop arrangement.

## Gen. Clay Urges Preparedness In U. S.

Fort Knox, Ky., June 1 (AP)—Gen. Lucius D. Clay, retired U. S. military governor of Germany, stressed this nation's obligation "always to be prepared" in dedicating the Patton Museum here Monday.

Mrs. George S. Patton, Jr., who unveiled a plaque in memory of her husband, added her plea for preparedness and scoffed at the idea that heavy armaments mean warlike ambitions. She termed preparedness "plain insurance against another war."

Patton, colorful Third Army commander in World War II, was killed in an automobile accident in Germany after V.E. Day.

Bream, Charles E. Tressler and Rodney L. Law. The program of the day was in charge of Frank Basehoar, Miss Leora Held, Clayton L. Evans, Garnet E. Schellhase and Miss Margaret Steever. Tickets for the concessions were in charge of John H. Riley, H. Dean Stover and Miss Joan L. Coble. School closed at noon today for the summer vacation.

## MEMORIAL DAY IS OBSERVED AT EAST BERLIN

Memorial Day observance in East Berlin was in charge of Richard J. Gross Post, Veterans of Foreign Wars, who sponsored the community parade in which many other organizations participated, and who conducted a festival for the public immediately afterward at their East Locust street post house.

The veterans gave a special place of honor in an open car near the head of the parade line to Mr. and Mrs. Eli J. Gross, parents of East Berlin's first Gold Star hero for whom the post is named.

Two Bands March

Heading the parade in an open station wagon driven by East Berlin's Burgess Cletus E. Mummert was the East Berlin borough council. A number of other cars, private autos decorated in patriotic colors, as well as several army vehicles manned by veterans, took their places in the day's demonstration. There were also decorated bikes ridden by East Berlin children, and the smallest youngsters were pulled in be-ribboned wagons as a part of the turnout of the town's Lutheran and Reformed Sunday schools. Many of the Sunday school children were afoot, carrying garden flowers and accompanied by their teachers. Also among the vehicles rode the new Hudson sedan which will be awarded as a prize in July by the York Community Football club.

An impressive feature of the parade was the float entered by the Penn Wood Heel company, presenting the tableau, "Lest We Forget." A middle-aged couple were shown among the white crosses of a military cemetery, the mother kneeling, while in the background stood young men and women in the uniforms of various branches of service.

Marching music was provided by the East Berlin high school band and two visiting organizations, the Civil Air Patrol band of York, and the Drum and Bugle Corps of the American Legion, Spring Grove.

Festival Follows  
In addition to the sponsoring veterans' organization, who marched in the uniforms of the branches in

## Cloak Of Mystery On Red Timetable

Berlin, June 1 (AP)—East German Communists threw a cloak of mystery today about their timetable for eastern Germany.

"There is no necessity to establish an east German state," Prof. Hermann Kastner, head of the newly chosen People's Council, told a reporter. "Even if there were such an idea it would certainly not be discussed now, while the foreign ministers are meeting in Paris and trying to reach an agreement on the unification of Germany."

The Communist-led People's Congress Monday adopted a Soviet-type constitution claiming to speak for all this country. They chose 400 members of a People's Council to serve as a government, including in the list Gerhart Eisler, Communist fugitive from America who hasn't been here since Nazi days. Kastner was named co-president of the council.

Kastner, who heads a splinter party of liberal Democrats, described the East German constitution as "only a draft." The constitution has been viewed as Russia's answer to the West German constitution ratified by the states of the three Western occupation zones.

which they saw service, the Liberty Fire-company of East Berlin, and the Ladies' Auxiliary of the fire company, both in uniform, sent many representatives to the parade, and the company's two fire engines were also in line. Other local groups marching in uniform were the Red Men's lodge of the town and the Girl Scout troop.

The parade was witnessed by a large number of townspeople as well as those from the rural areas about East Berlin, and many out-of-town visitors.

State police, special police of the borough, and East Berlin's policeman, Marshal E. Smith, directed traffic at the intersections during the activities.

The festival at the post house was largely attended, with many suppers of chicken corn soup and hot sandwiches served by the Ladies' Auxiliary of the VFW, which organization was formed this year.

Among earliest examples of American folk art are glassware objects blown after hours by glass workers for themselves and their friends, from the rag end of the glass-pot.

## ESCAPED RED IS IN PRAGUE

Prague, Czechoslovakia, June 1 (AP)—Gerhart Eisler landed in Prague Tuesday, en route from London to Germany.

"I am glad to be in Czechoslovakia and not in the United States," the Communist leader told reporters as he left the plane.

There was no official delegation on hand to greet Eisler. Two security police plain clothesmen were at the airport and they took him to a special room, where he was not obliged to comply with ordinary customs regulations.

Eisler, facing two jail sentences in the United States, fled aboard the Polish liner Batory and was hauled off at Southampton. Later, however, a British court refused a United States request to extradite the man whom a Congressional committee called the top Communist agent in America.

The 52-year-old Communist boarded the Czech airlines plane at Northolt airport, England, early today, only a few minutes before it took off. His name had not been on the

passenger list and his baggage bore no labels.

Eisler shook hands with the pilot of his plane and then went to a private room in the airport building. A mechanic gave him the clenched hand Communist salute and Eisler grinned and waved.

NEW ESSO EXTRA MOTOR OIL!

Gives you these 3 BIG EXTRAS  
Best for hard, hot Summer Driving

1. EXTRA PROTECTION  
Get important extra engine protection with new Esso EXTRA Motor Oil... the amazing new premium oil that maintains its lubricating value under extremes of heat and cold better than any other motor oil! QUICK LUBRICATION of vital engine parts when starting... LONG-LASTING PROTECTION of fast-moving, hard-working engine parts on long, hot drives. Get Esso EXTRA Motor Oil NOW at your Esso Dealer's.

2. EXTRA OIL ECONOMY  
For better all-round engine lubrication and lower oil consumption use new Esso EXTRA Motor Oil! Unequalled "High Viscosity Index" reduces "thinning out" — lasts longer at highest summer engine heat. For L-O-W oil consumption and L-O-N-G mileage—get Esso EXTRA Motor Oil!

3. EXTRA INGREDIENT ADDED  
Extra feature! Extra value! We've blended a special detergent into this new oil to fight harmful, power-robbing carbon and varnish deposits on engine parts. Helps keep engine running cleaner... smoother... at peak performance. For MORE engine power... with LESS wear and tear... change to new Esso EXTRA Motor Oil today!

HERE'S SOMETHING EXTRA FOR YOUR MONEY! CHANGE NOW TO NEW ESSO EXTRA... THE EXTRA VALUE PREMIUM MOTOR OIL!

GET YOUR CAR SET FOR THE TOUGH HOT WEATHER AHEAD!  
Here's extra all-weather engine protection... new oil economy! Have your Esso Dealer drain and refill your crankcase with fresh, summer-grade NEW Esso Extra Motor Oil to help that hard-working engine beat the heat. For smooth, power-full "Happy Motoring"... fill 'er up with improved Esso Extra Gasoline!

## CIA INFORMANTS GIVEN PROMISE OF SAFETY HERE

By JAMES MARLOW  
Washington, June 1 (AP)—Successful spies are the ones who live to tell the tale. They also want to live after they're told it.

A caught-spy always looks like a bit of a chump, and certainly he's lost his usefulness, if not his life.

Congress now not only has made it easier for foreigners to live after spying for this country, but has even encouraged them to spy.

No nation, of course, ever calls its own spies spies. They're intelligence agents. It's the other nation's agents who are spies.

So when someone in this country is suspected of spying for Russia, there's excitement about it.

Naturally, nothing is ever said about the spying we're doing in, or on, Russia, although you can be sure we're doing it.

The U. S. has a highly secret organization called the Central Intel-

## Fairfield

Fairfield — Miss Sabina Landis, Paterson, New Jersey, spent the week-end with her brother and sister-in-law, Mr. and Mrs. James Landis.

Luther Wortz, Wichita, Kansas is spending a week with his brother-in-law and sister, Mr. and Mrs. Preston Weikert.

Mr. and Mrs. Sterling Dutterer, York, spent the Memorial week-end with Mr. and Mrs. P. I. Weikert.

Miss Elizabeth Neely, Philadelphia, visited over the week-end with Mr. and Mrs. D. P. Polley.

Mr. and Mrs. John Kittinger and family, Mr. and Mrs. Charles Kittinger and daughter and Miss Carrie Kittinger, all of Lancaster, spent Sunday with relatives here.

Mr. and Mrs. Robert McCullough and family, Falls Church, Va., spent the week-end at the home of Mr. and Mrs. S. L. Allison.

Mr. and Mrs. Richard Saylor, York, spent the week-end with Mr. and Mrs. Frank Moore.

Mr. and Mrs. William Thomas and Miss Opal McCartney spent Sunday with Mrs. Mary Seifert and family.

Miss Phyllis McClellan is recuperating from a tonsillectomy performed last Friday.

Mr. and Mrs. Walter Fickes and son, of Shippensburg, visited Sunday with relatives here.

Sgt. Rodney Harbaugh, son of Mr. and Mrs. Joseph Harbaugh, is on terminal leave from the U. S. Air Force. At the expiration of the leave Sgt. Harbaugh will be discharged after having served three years.

Mr. and Mrs. Frank Conrad, Waynesboro, spent the Memorial week-end with H. L. Harbaugh and family.

The Rev. and Mrs. Howard Koons and family, Campbelltown, spent the week-end with Mr. and Mrs. John E. Brown.

Mr. and Mrs. W. C. Seabrook, Hazleton, spent the Memorial week-end with Mr. and Mrs. E. A. Seabrook.

lignage agency, headed by Rear Admiral R. H. Hillenkoetter. It's the master eye for all U. S. intelligence or spying.

The CIA has a special problem in gathering information about Iron Curtain countries, where the secret police can make life short and unpleasant for anyone caught dicker with the U. S. for example:

A high official of an Iron Curtain country hates the Communists, has important information to give the U. S., and would gladly give it if, having given it, he knew he could be safe in the U. S. and never have to return to his own country.

But without such assurance of safety, he's held back by fear of what will happen to him if it's discovered he's made contact with CIA agents.

Security in U. S.

How could he be made to feel safe, if he gave the information? How could he be encouraged to give it? The CIA talked it over with Congress and this was the plan worked out:

In any one year the CIA, doing its own choosing, can get 100 aliens and their families into the U. S.—and the U. S. immigration laws, which might bar other aliens for various reasons, wouldn't apply to them at all.

In short, CIA informants could be rewarded with safety in America. Both Houses of Congress—the House on March 7, the Senate yesterday—passed bills approving this.

## SAYS WORLD IN

(Continued from Page 1)

dent of the joint school board. The American flag, the state flag and the school flag were also on the stage. Stage decorations were in charge of Miss Leora Held and Rodney L. Law of the faculty.

Juniors Are Ushers

Six members of the junior class served as ushers. They were Alma Reaver, Betty King, Harriet Badders, Loyse Waltman, Bernice Plunkert and Gloria Warner.

The procession was in the following order: Mr. King, Mr. Liveness, and Rev. Reynolds; Mr. Slaybaugh and Mr. Walker, followed by the seniors. The orchestra played a professional march, "War March of the Priests" by Mendelssohn, under the direction of Miss Joan L. Coble, supervisor of music. In the orchestra were Eleanor Bankert, Eloise and Betty Yealy, Victor Reynolds, Brenda Hess, Evelyn Harget, Allen Shanbrook, Kenneth Eyer, Dolores Rae Reinhold and Nancy Myers as pianist.

The invocation was given by the Rev. Frank E. Reynolds, pastor of Redeemer's Reformed church; salutatorian's address, "The Psalm of Life," by Longfellow, was delivered by Joann E. Wehler; valedictory, "Youth Faces East," Albert M. Stock; solo, "Dedication," Robert Franz by James R. Motter, accompanied on the piano by Miss Shirley M. Hawk, both members of the class; commencement address by Mr. Liveness; class song, words by James R. Motter, sung by the class with Shirley Hawk, accompanist; presentation of two flood lights for the stage as the class gift to the school, Richard C. Mehning, class president

made the presentation and the gift was accepted by Mr. King.

Superintendent Slaybaugh spoke on the benefits which were already evident at the end of the first year as a joint district. He emphasized that these accomplishments were due to a unity of spirit. Then followed the announcement of honors and awards by Mr. King; presentation of the class to the Board of Education; and the awarding of diplomas by H. Allen Walker, president of the joint board; and the benediction by Rev. Reynolds.

In addition to the valedictorian and salutatorian, the other honor students were Marion Louise Staveley, Jane LaRue Bowers, Doris Marie Hawk, Richard S. Wolfe, Richard C. Mehning and June Evelyn Huff.

Awards were as follows: Alumni association cash awards for meritorious work in their departments: academic, Albert M. Stock; commercial, Doris M. Hawk; home economics, June E. Huff and industrial arts, Clyde M. Bucher. Faculty awards of medals were given to the following: scholarship, Albert M. Stock; athletics, Wilbur M. Sentz;

and C. Mehning, class president made the presentation and the gift was accepted by Mr. King.

and music, Shirley M. Hawk.

Upon the recommendation of the faculty American Legion citizenship medals were awarded to Richard A. Little, Jr. and Bernice J. Currens.

Veterans of Foreign Wars essay prizes were: first, \$15 to Albert M. Stock; second \$10 to Marion L. Staveley and honorable mention to Joann E. Wehler and Hamilton Walker. Judges for these essays were: the Rev. David S. Krammer, Chester S. Byers and Mrs. Paul E. Altoff. A plaque was also awarded to Richard S. Wolfe as the Bausch and Lomb science award.

List Of Graduates

The graduates according to the course of study which they pursued were: academic: Emily L. Badders, Anna Mae Bish, Jane L. Bowers, Ann L. Budd, Shirley M. Hawk, Richard A. Little, Jr., Richard C. Mehning, James R. Motter, Patricia A. Shull, Marion L. Stravely, Albert M. Stock, Glenn E. Unger, Hamilton C. Walker, Fred A. Warner, Joann E. Wehler and Richard S. Wolfe; commercial: Betty R. Eyer, Velma L. Flickinger, A. Richard Geisler, Doris M. Hawk, Evelyn F. Herr, Jane L. Reck, Virginia M. Rimel, Lucille M. Shoemaker and Betty L. Yingling; industrial arts: Burnell C. Brumgard, Charles A. Grove and Ralph C. Unger; vocational home economics: Bernice J. Currens, Charlotte J. Hall, Ina R. Harper, June E. Huff, Doris H. Kerns, Esther A. Koontz and Betty A. Rebert; and general: Clyde Bucher and Wilbur M. Sentz.

A Memorial Day program was presented Tuesday evening at the weekly meeting of the Littlestown Rotary club under the auspices of the club service committee of which A. W. Schott, is the chairman. A. G. Ealy, member of the committee, presented Earle K. Deihl, a teacher of political science and problems of democracy in the Hanover high school, as the speaker. His subject was "Decoration Day." "Decoration Day is not a time for public speeches, but a time for some real thinking on the part of individual Americans," he said.

Luther D. Snyder, president, was in charge of the meeting. Sherman W. Mason, a member of the Jeanette, Pa., club was a visitor. Next week, the vocational service committee, George P. Smith, chairman, will be in charge of the program when there will be a classification talk.

Eagles Win Game

The Eagles softball team defeated the Foundry team on Tuesday evening by a score of 12 to 8.

## Report Army "In Full Control" In Bolivia's Strike-Torn Tin Mine Region

RESERVISTS  
MOBILIZED  
IN EMERGENCY

By ALBERTO AVESTEGUI

La Paz, Bolivia, June 1 (AP)—Reports reaching here today said the army was "in control of the situation" in Bolivia's strike-torn tin mine region, scene of bloody rioting for the past four days.

Army reservists from 19 to 50 were ordered mobilized last night as the cabinet met in emergency session to cope with what it calls a "state of civil war."

The government said the mobilization was justified by the gravity of the present situation in which striking tin miners have seized mine officials, including Americans, as hostages and fought bloody battles against troops sent to the area.

**Railroads Halt Service**  
Two thousand dynamite-hurling miners yesterday battled 200 troops for control of the Patino-owned Huanuni tin mines. The mining area is in the high Andes, about 200 miles southeast of La Paz.

The government previously had decreed a state of siege, suspending normal civil rights for 90 days under semi-martial law.

Railroads throughout the embattled country meanwhile halted service, threatening a grave food shortage. The nation's 3,000,000 landlocked residents get most of their supplies by rail from Argentina, Peru and Chile.

**Communists Involved**  
The government charged the violence, which broke out over the week-end at the Patino group's Siglo Viente mine, was inspired by a

group which wanted to turn the strike into a full-fledged revolution. The government said both the Rightist National Revolutionary movement and Communist elements were involved in the plan.

Unofficial reports said the death list might total 50 as a result of the mine strike called to enforce a demand that the government return 26 men—union leaders and others—deported to Chili Friday.

Two American engineers have been reported killed and the superintendent of the Huanuni mines, Howard Keller, a U. S. citizen, was held captive by the miners.

**Evacuate U. S. Citizens**  
U. S. citizens and other foreigners were being evacuated from the mining area.

A rail strike call was issued by unions at Oruro and Tupiza, both mining centers, on routes to Buenos Aires, Argentina, and Antofagasta, Chile. A country-wide stoppage was ordered later.

The mine strike was slowly spreading. The tin miners' local union at Uyuni, south of Oruro, struck yesterday, a dispatch from La Razon said. Miners at nearby Pulacayo also quit work.

Four Wounded In  
Penny Arcade Fight

Philadelphia, June 1 (AP)—Following a fight in a penny arcade, three teen-age youths and a woman passerby were wounded by a hail of bullets fired from a speeding automobile in Philadelphia's Italian section.

Detective Lt. Frank May said the shooting occurred Monday after one of the victims, Anthony Marimaro, 19, and several of his friends beat off three other youths who attacked an unidentified man in the

**KING'S COUNSEL**  
—Rose Heilbron, 34, one of the first two women King's Counsel in England, stands outside the House of Lords, London, following a ceremony.

Marimaro suffered bullet wounds of the left temple and neck. His condition was described as fair. Frank Menna, 17, a nephew of Philadelphia Councilman Louis Menna, was reported in critical condition with bullet wounds of the chest.

Vincent Fulginiti, 17, was in good condition with bullet wounds of the legs. Mrs. Louise Pinto, 39, was shot in the right thigh.

MOCK DUEL OF  
AIR FORCE B-36  
AND BANSHEES  
TURNED DOWN

Washington, June 1 (AP)—The mock duel in the sky between the Air Force's mighty B-36 and the Navy's best Banshee jet fighters suggested by Congress has been turned down by the joint chiefs of staff for security reasons.

The recommendation to call off the public feud air battle was first made known in a copyrighted story in the Washington Times-Herald shortly after the House armed services committee yesterday ordered a full investigation of why the B-36 came to be the heavyweight darling of the Air Force.

**Possibly Later**  
The possibility remained that such a bang-you're-dead test might be conducted later in deepest secrecy.

But the joint command, in a letter forwarded to Chairman Vinson (D-Ga.) of the committee by Secretary of Defense Johnson, said such a battle between the two best planes of the two rival services would divulge vital information. The letter also said such an event would serve no useful purpose.

The showdown sky fight was first approved May 13 by the armed services group to help settle conflicting claims by the Navy and the Air Force.

The Air Force said the B-36 operating at 40,000 feet and above

could not be intercepted by any fighter plane now in existence.

**Stopped Work On Carrier**  
The Navy planned to build a multi-million dollar aircraft carrier from which jet planes and bombers would operate. It said the jet planes can whip up to 40,000 in seven minutes and are good enough to lick the B-36.

Air Force enthusiasts proposed that the carrier be junked and the money used to buy more B-36s.

Secretary Johnson finally ordered work on the carrier halted. But arguments continued. That's when the House committee stepped in with its suggestion for a test fight.

The B-36 bomber investigation ordered yesterday was not directly connected with the mock air battle. It grew out of reported "irregularities" in connection with pushing this plane into top spot on the Air Force's defense plans. Contracts for some other types of planes were cancelled in order to boost the purchase of more B-36s.

**Potential Fireworks**  
But the question of how good a defense buy the B-36 is probably will become a just springboard for more far-reaching questions.

The personalities involved have a high fireworks potential. They include Secretary Johnson, Secretary of Air Symington, Industrialist Floyd Odum and Rep. Vinson, a veteran of many big-time investigations during his 35 years in

the House.  
The committee-recommended probe still must be approved by the House itself, but Democratic leaders are supporting the investigation and a quick O.K. is expected. For the next two weeks or so, the matter may simmer behind the scenes, however. When it breaks into the open, it may set a stage for more study of the Navy-Air Force arguments over defense policies.

Aphrodite, goddess of love, is believed to have been adopted by Greece from a Semetic cult.

## PUBLIC SALE

Friday, June 3rd, 12 O'clock D.S.T.  
The undersigned will offer at public sale at his farm located one mile northwest of Fayetteville on Route 997, road leading to Scotland.

**Livestock**  
Two work horses, one ten years old single line leader; one, seven-year-old offside worker; these horses are in good condition, will work anywhere hitched; 31 head of cattle, 14 head of milk cows; two registered Holstein, fresh or closely springing; 15 head of Holstein heifers, three registered; two registered Holstein bulls; 14 head of hogs; six young brood sows, one with suckling pigs; one young barrow.

**Farm Machinery**  
I have a complete line of McCormick-Deering farm machinery like new, none used over two seasons; mounted on rubber; also dairy equipment; one Farmall tractor, Model M, with hydraulic lift with corn plow and manure loader attached; one power takeoff mower 8-ft. cut; riding corn plow; manure spreader; binder, eight-foot cut; hay loader heavy duty steel; one side rake; grain drill; buck rake; two harrows; two wagons with flats; threshing rig in good condition; hammermill good as new; power driven corn sheller, like new; McCormick-Deering weeder.

**Dairy Equipment**  
New McCormick-Deering 4-can milk cooler, used less than a year; milk cans; strainers; and buckets; three brooder stoves; two, eight-hole hog feeders; hay fork with rope, good as new.

Many other articles too numerous to mention.  
Lunch stand reserved.  
**ROBERT E. BROOKENS,**  
Fayetteville, Pa. R. 1.

Blind Father Saves  
Son From Drowning

Phoenix, Ariz., June 1 (AP)—A blind father saved his three-year-old son from drowning in an irrigation ditch.

Little Irvin Ashley Platt tumbled into the irrigation ditch near his home Monday while playing with his brother, Bill, 12, and other children. Hearing the shouts of the

other children, Vernon H. Platt, the blind father, rushed to the spot.

Bill guided his father to the culvert. Platt dove in, broke an underwater snag which had trapped Irvin, and came up with the child.

The child was revived by a neighbor, Mrs. Mary Manly, a nurse.

Historians believe that the "brass" referred to in the Bible probably was bronze.

The

TELEPHONE-  
Cupid's

not-so-secret weapon

Spring brings a sudden avalanche of extra telephone calls—mostly on the romantic side. Parents of young people report a constant ringing in their ears—caused, we suppose, by increased telephone activity at home. The telephone as Cupid's messenger means, of course, that we're busier than ever; but we don't mind. It is just another way of proving that there's no end to the usefulness of a telephone.

More Smiles per Gallon  
with Dynaflo Drive

White sidewall tires, as illustrated, available at extra cost.

**T**HERE'S the smile when you slip the selector lever into Driving notch—and realize that's all there is to do.

There's the smile when you swing smoothly up to cruising speed without halt or check or break of stride. There's the smile at traffic lights when you halt, wait, then move away with never a thought about shifting.

But the broadest grin of all comes at the end of a long day's drive and you find you've covered more miles more easily. Even your treadle-foot—so likely to become tired and cramped maintaining an even speed in direct-drive cars—appreciates the fluid ease of Dynaflo.

For Dynaflo Drive is not merely a new transmission. It's a new experience—a new luxury in driving. In ten minutes you are handling it

like a veteran—in two days you wouldn't be without it.

Small wonder, then, that Dynaflo is the drive with which all new developments in transmissions are compared.

Not merely "something better," it is something entirely new, the first exciting chapter in a whole new book.

Go learn for yourself how abundantly rich in pleasure every gallon becomes when you have Dynaflo.

Your Buick dealer will be glad to demonstrate—glad to quote delivered prices—glad to talk terms of as fine a deal as you could want.

And you'll find glad surprise in the delivery dates he is now mentioning.

BUICK alone  
has all these features

Silk-smooth DYNAFLO DRIVE\* • FULL-VIEW VISION from enlarged glass area SWING-EASY DOORS and easy access "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRU-FLEX COIL SPRINGING • Lively FIREBALL STRAIGHT-THROTTLE POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS • Low-pressure tires on SAFETY-RIDE RIMS • Cruiser-Line VENTIPORTS DUREX BEARINGS, main and connecting rods BODY BY FISHER

# Interesting News Of Upper Adams Countians And Their Enterprises

## START INSECT WAR TO FIGHT JAP BEETLES

State scientists, once more have broadened the battle line between warring factions of the insect world, with the expectation of reducing the Japanese beetle population.

The Pennsylvania Department of Agriculture today announced distribution of 15 new colonies of Korean tephia wasps in areas of the state where especially heavy infestations of Jap beetles are found. One of the colonies is located on the Gettysburg college campus.

Each colony contained at least 150 female wasps. As soon as the beetle parasites were liberated, each burrowed into the ground. Each female is capable of laying about 300 eggs, one at a time, each egg on the soft underside of a different Jap beetle grub. The wasp egg hatches in a few days and its larvae devour the beetle grub—and 300 fewer beetles will emerge this summer to feed on trees, shrubbery, farm and garden crops.

Japanese beetles came to the Philadelphia section just 30 years ago this summer—on a few iris roots imported from Japan. Five years later the U. S. Department of Agriculture brought a single small colony of tephia wasps from Korea, freeing them in Valley Forge park. This original colony has provided more than 100 new colonies as points of heavy infestation in various parts

## Pa. Flower Growers To Hold Conference

The annual Flower Growers' conference at the Pennsylvania State college will be held July 19, 20 and 21, with the annual dinner Wednesday night, July 20.

Dr. Lyman E. Jackson, dean of the School of Agriculture, will open the session at 1:30 p. m., July 19, after which J. M. Fry, state director of the Agricultural Extension service, will speak on the work of the extension service in the florist industry.

Representatives of the industry and specialists will discuss soil, fertility, and cultural practices, and control of plant diseases in greenhouses, Harold E. Steffy, Lancaster, will lead a discussion on the need for a state organization.

Speakers include Prof. Raymond F. Hasek, Ohio State university; Leonard J. Seiger, New York; Prof. Walter Thomas and Prof. John G. Seeley, both of Penn State; Dr. Conrad B. Link, University of Maryland; Prof. John R. Culbert, University of Illinois; Joseph R. Crissman, Punxsutawney; J. L. Dillon, Bloomsburg, and Jacob N. Troyer, Bird-in-Hand.

Among devices to be shown will be machines that combine use of new weedkillers with corn planters for applying pre-emergence dusts or sprays. Another will feature a combination of the usual corn cul-

ice, will speak on the work of the extension service in the florist industry.

Speakers include Prof. Raymond F. Hasek, Ohio State university; Leonard J. Seiger, New York; Prof. Walter Thomas and Prof. John G. Seeley, both of Penn State; Dr. Conrad B. Link, University of Maryland; Prof. John R. Culbert, University of Illinois; Joseph R. Crissman, Punxsutawney; J. L. Dillon, Bloomsburg, and Jacob N. Troyer, Bird-in-Hand.

## Poultrymen Will Hold Conference

The poultry husbandry department of the Pennsylvania State college, headed by Prof. Ernest W. Calenbach, will hold its first poultry sanitation and health control conference June 20 to 22, opening at noon the first day and closing at noon the last day.

Talks and discussions during the first afternoon and the morning of June 21 will be devoted to the turkey industry, with the balance of the program confined specifically to chickens. Producers, supply house representatives, veterinarians, and others will attend.

Speakers will include members of the Penn State staff and scientists from other colleges and universities.

"No trip to New England is complete without a visit to the famous Barre granite quarries, the largest in the world. It's a gigantic spectacle—viewing the site where thousands of tons of fine Barre granite have been dug from the earth over a period of 137 years. Last year thousands of tourists from this country and from 16 foreign countries were amazed at these man-made wonders. Year in and year out visitors to Barre marvel at the great depth of the quarries, where the men engaged in drilling operations at the bottom, over 300 feet below the earth's surface, appear as dots. Huge derricks, supported by miles and miles of guy wire, can be seen lifting blocks of granite as heavy as 50 tons to the waiting railroad cars. Huge piles of waste granite tower in the distance, mute testimony to the care with which Barre monumental granite is selected."

# News Items For Upper End

## CROP OUTLOOK FOR '49 GOOD IN THIS COUNTY

Adams county's farmers should reap a good harvest this year, all things considered, Assistant County Farm Agent Ira N. Dunmire said today.

The prophecy was hedged with the usual reservations concerning the remainder of the growing season, but as of now, "things look good."

Corn is a little pale and yellowish at present, the assistant county agent noted, but that has been due mostly to the cold weather and the crop should come through fairly well. Last year, he pointed out, similar conditions existed due to cool weather, but when "growing weather" began the corn snapped out of it and the corn crop was one of the county's best. He anticipates

the same result this year, if warm weather and sufficient moisture occur during the remainder of the growing season.

### See Normal Pea Crop

Due to the open spring, most farmers got ahead of schedule this year on their planting, plowing and other duties. As a result many are cutting a hay crop now, which Dunmire termed a good idea. An early hay crop, cut before the seed heads mature, provides more protein for the cattle and in general gives a hay of higher quality, he said.

The county's wheat crop, after a bad year last year, may do better this season. There was a lot of rust on wheat last year, and there is some rust on wheat already this year, Dunmire noted, but he added that it is too early yet to make any statement whether the wheat crop will be good or bad.

The county's pea production will be less than last year's, according to both Dunmire and several processors. But both added that there probably will be a normal crop, which in comparison to a bumper crop last year will seem smaller than it actually is.

Processors are scheduled to begin canning and freezing peas possibly the end of this week or early next week.

The fruit picture will be outlined Thursday evening at the meeting of the county fruit growers at Biglerville, Dunmire pointed out, but added his belief that there should be a better than "fair" fruit crop this year.

Goat Breeders to Meet—Pennsylvania Dairy Goat Breeders will elect officers at their annual meeting June 18 on the Penn State campus.

## "Ag" School Plans 'Open House' In June

Motor caravans, buses, and other organized units are being planned in many counties as various farm groups plan to visit the School of Agriculture at the Pennsylvania State college, June 15, 16, and 17. A. L. Beam, chairman of the arrangements committee, disclosed, Groups planning organized units include 4-H clubs, Senior Extension clubs, FFA chapters, veterans' classes, and in a few instances countywide Extension Associations, and co-operative groups.

All facilities of the School of Agriculture will be open to inspection. Features include tours of the college farms to examine experimental plots, farm flocks and herds, and the various buildings of the school where special departmental exhibits and displays are being arranged. The occasion will be the first such "Open House" ever held at the school of agriculture, Dean Lyman Jackson said.

## Promising New Tomato Named

Penn State's latest introduction in tomato hybrids, tentatively listed as Keystone State, has acquired a new name, "Keystone Hybrid Tomato," Dr. R. E. Larson, plant breeder, has announced. The new name was chosen to avoid confusion with a commercial hybrid tomato grown in the mid-west who is using the Keystone label.

Although no seed will be available in quantity until next spring, the Keystone tomato has become popular

## DEMAND FOR CHICKS DOWN

Demand for baby chicks that had been fairly heavy since the first of this year dropped off sharply during April, according to federal-state surveys announced by the state Department of Agriculture.

April production from Pennsylvania commercial hatcheries totaled 10,575,000 chicks, 10 per cent below the same month last year and 24 per cent below the 1943-47 average of 13,875,000 for the month of April, the survey revealed.

Production, normally at peak levels in April, was 16 per cent below the output for March of this year. However, during the 1949 January-April period of four months, production of 36,605,000 chicks was running 13 per cent or 4,352,000 chicks above the same period last year.

Average prices for straight run chicks from Pennsylvania hatcheries on May 1 were \$16.50 per hundred for heavy breeds, \$16 for light breeds, \$16.50 for cross breeds, Pullet of the heavy breeds averaged \$26.50, light breeds, \$30 and cross breeds \$25. Cockerel chicks of the heavy breeds averaged \$12.50, light breeds \$3 and cross breeds \$14 per hundred.

April production of chicks in the United States totaled more than 309 million, eight per cent more than in April of last year but six per cent below average.

## FARM CALENDAR

Farm Safety Week—National Farm Safety Week, officially proclaimed by the President for the week of July 24, serves as a reminder, says John R. Haswell, extension agricultural engineer of the Pennsylvania State college, that accidents still happen, and that a continuous, determined effort in promoting safety is the best approach for preventing their occurrence.

Brown Swiss Meeting—Pennsylvania Brown Swiss breeders will and in demand as the result of last year's yield tests. This hybrid, a first generation cross of Rutgers and Pritchard varieties, ripens 8 to 10 days ahead of Rutgers, with fruit globular in shape, thick-fleshed, and averaging 5.5 ounces in size. In five years' tests, Keystone exceeded Rutgers in marketable yield by 20 to 25 per cent.

hold their annual meeting, with election of officers, in connection with a field day and picnic June 4 at the Pennsylvania State college. Kenzie S. Bagshaw, Hollidaysburg, president, has announced. Visitors will have opportunity for inspecting the Brown Swiss herd at the college.

Maintain Egg Quality—Poultrymen can do nothing to improve the quality of an egg after it has been produced, but cooling eggs quickly, holding them in cool rooms of high humidity, packing them daily, and marketing them twice weekly helps maintain their quality, states F. H. Leuschner, Penn State poultry specialist.

4-H Dairy Shows—The district 4-H dairy shows are fast approaching, reminds John H. Wheeler, extension dairy specialist of the Pennsylvania State college, in urging 4-H Club members to start early to train and groom their animals, devoting some time to these chores every day.

Rural Pastors to Meet—Town and country pastors will hold their 11th annual conference June 13 to 17 at the Pennsylvania State college, with college staff members among the speakers.

# BIG FOUR NOT CLOSE TO ANY REAL ACCORD

**By DEWITT MACKENZIE**  
(AP Foreign Affairs Analyst)

The Big Four Foreign Ministers' council in Paris seems no closer to substantial agreement between Russia and the Western powers than it was when it started ten days ago. In fact the conference has lost much of the atmosphere of amiability in which it opened.

The only worthwhile possibility that appears at the moment is some sort of economic unity between the Eastern and Western zones of Germany. The chances of political unity already have gone down the drain.

Soviet Foreign Minister Vishinsky last week gave his customary "no" to the proposal by America, Britain and France that the Russian zone of Germany form a political union with the new Federal Republic comprising the three western states. Then yesterday he proposed that the Foreign Ministers' council invite a delegation from the Communist-dominated "German People's Congress" of the Soviet zone to appear before it.

A "No" For Vishinsky

The "German People's Congress" has adopted a constitution for a "German Democratic Republic." The idea of the delegation appearing before the council was to advocate that western Germany join the "German Democratic Republic."

The three Western powers voted down Vishinsky's proposal. They contended the People's Congress isn't really representative of all Germany, as it claims to be. So Vishinsky got an echoing "no."

This projected Eastern zone republic is to be a totalitarian regime like those of the other satellite states. Should there be a union between the communized "German Democratic Republic" and the Federal Republic of the western area, the Red zone would provide the spear-head for the attempted communization of the other three zones. For that reason Moscow would jump at the chance to make such a union, and by the same token the Western Democracies will keep as far away from it as possible.

**Just A Maneuver**

Incidentally, Communism looked down its nose at Uncle Sam and nominated Gerhart Eisler to the Red-dominated "German People's Congress." This fugitive has been described by a U. S. Congressional committee as top Communist agent in America.

So far as concerns the taking over of western Germany by the "German People's Republic," it's wholly unlikely Moscow expected it.

## Romanian Officials Guilty Of Treason

**Bucharest, Romania, June 1 (AP)—**Three former Romanian officials yesterday were convicted by a military court trying them for high treason for allegedly betraying state secrets to an American military attaché.

Two of the defendants were given prison sentences of 20 years and the third got 25 years. A fourth defendant who faced lesser charges was sentenced to five years.

The American mentioned in the case was Col. John R. Lovell, former military attaché at the U. L. legation here.

The 25-year sentence was given to Eugen Gheorghiu, former ministerial private secretary in the Finance ministry. The 20-year terms went to Gen. Gheorghie Roza, once acting chief of the General staff, and Alexandru Theodorescu, former ministerial director in the Finance ministry. Property of all three was confiscated.

## Electric Brain Is Being Built

**Los Angeles, June 1 (AP)—**The U. S. Bureau of Standards is building an electric brain that will translate foreign languages—something that has stumped college freshmen for years.

The brain is being built at the University of California at Los Angeles by 20 mathematicians and technicians under the direction of Dr. Harry Huskey.

It also is expected to be able to compute salary payments, predict the weather and replace minor executives.

Dr. Huskey said at maximum speed it will perform 16,000 additions and 4,000 multiplications per second.

could be done. It was just a maneuver. Actually the average German hates the name of Communism and the only way he could be made to bow to it would be by force.

**"Saved my Life"**  
A God-send for GAS-HEARTBURN!  
When excess stomach acid causes painful, suffocating gas, sour stomach and heartburn, doctors usually prescribe the fast-acting medicine known as Bell's Tablets. No laxative. Bell's Tablets bring comfort in a jiffy or return bottle to us for double money back. © BELL-ANS for Acid Indigestion 25¢

# PENNSYLVANIA BEGINS HEAVY SPENDING TODAY

**Harrisburg, June 1 (AP)—**The commonwealth embarked today on its biggest two-year spending program in history with a record \$1,057,911,000 scheduled for outlay from state coffers.

Never before have state expenditures lapped over the billion dollar mark during a two-year fiscal period.

Gov. James H. Duff approved appropriations totaling \$746,819,619 or \$29,911,000 more than he recommended for general governmental purposes in his budget recommendation last February.

**Gas Tax Helps**

In addition, the new penny boost to five cents a gallon in the state's gasoline tax, effective today, will increase from \$282,289,951 the amount in the state motor fund for the next two years.

The increase in the general fund appropriations—those earmarked for general governmental purposes—was from \$695,218,980 to \$725,129,273. In addition, there was \$21,093,096 appropriated to cover deficiencies in allocations made by the 1947 legislature.

The 1949 General Assembly appropriated funds totaling \$749,750,119, but Duff sliced \$2,930,500 from this in acting on the money measures. He vetoed \$1,183,000 in proposed Senate bills and another \$1,747,000 in House measures.

The appropriation of \$725,129,273 from the general fund for the next two years contrasted with the gov-

ernor's estimate last February that there would be only \$696,218,980 available in revenue for the 1949-51 biennium. This included \$653,300,000 in tax receipts and an estimated surplus of \$42,878,694.

However, since his February estimate the governor has announced that the surplus, on the basis of actual tax collections in the biennium ending June 10, will exceed \$61,000,000. This increases to \$715,000,000 available funds for the next two years but still leaves a \$10,000,000 gap between estimated receipts and appropriations. Transfers from other funds and refunds will provide several millions of that.

Duff was empowered by the General Assembly to switch pending construction contracts running into millions to the new General State Building Authority, freeing such funds for other purposes.

## Solo Honeymoon Leads To Arrest

**Indianapolis, June 1 (AP)—**A man accused of taking a honeymoon alone in his Evansville, Ind., bride's new automobile was being held by the FBI in Oklahoma City today.

FBI Agent Harvey G. Foster identified the man as George H. Sturm, 47. He said Sturm was arrested by the FBI on a charge of unlawful flight to avoid prosecution for burglary. A complaint was filed at Evansville last September.

Foster said Sturm married an Evansville widow May 10, 1948, and then allegedly drove away that night in a new car she had bought for the honeymoon.
